RACING CIRCUIT
HAS BEEN ARRANGED
FOR NEW BRUNSWICK

FREDERICTON, June 4.—There is now before the management of the various race tracks throughout the Maritime Provinces a proposition to form a midsummer circuit of harness race meetings. Last evening the directors of the Fredericton Trotting Park Association met to consider the matter so far as it relates to the local track and it was decided to enter the circuit and give a two days midsummer meeting in this city as well as the big meeting during the Fredericton 1907 exhibition.
Hugh O'Neill one of the local track directors has taken an active part in the preliminary work of forming the circuit, and recently when in Bangor and Boston interviewed several. The result was a number of Bangor and New England horsemen expressed a willingness to bring their racing strings to the Province for the circuit racing season. Mr. O'Neill also had a conference with Mr. Bert Fleming, the owner of Moosepath Track, St. John, the scheme, and he has been in communication with Hugh Gallagher of Gallagher Bros., Woodstock, the owners of the Woodstock track. As has already been announced, Mr. O'Neill is to hold a meeting on Dominion Day and Monday will come in during the following day with a two days meeting. The meetings will be included in the circuit and it is proposed to have them follow in the order named, Sussex, St. John, Fredericton and Woodstock, and arrangements are now under way whereby the opening of the new track under construction at Houlton, Maine, will be opened the week following the Woodstock races, which would make the date about the middle of August and the entire string of horses which will have been following the circuit would then go over to Houlton thus making the finest race meeting ever held in Aroostook County and a banner attraction for the opening of the new track at Houlton. At the meeting of the local directors held last evening Mr. O'Neill was appointed a delegate to attend a meeting of representatives of the various tracks which will be held probably in this city in the course of a few days.

LACROSSE PLAYERS WILL
BE ARRESTED FOR ASSAULT

MONTREAL, June 4.—A sensation was caused tonight in the lacrosse world by the announcement that three Shamrock players would be arrested in the morning. The arrests will be the result of a game played last Saturday with the National team, in which there was considerable rough play. Paddy Brennan is to be charged with assault with intent to do bodily harm to L'Heureux, the National goal tender. Howard has the same charge, the victim being Roberge, the National trainer, and McEwan is charged with assaulting Gauthier, a National player. The Shamrocks won the match in overtime period by a score of 10 to 8. During this time the assaults are alleged to have been committed.

ST. JOHN BOXERS
SHOWED UP WELL

BANGOR, Me., June 3.—Four bouts, the first here for some years, were put on in the Bangor auditorium tonight. The show which was under the management of Billy Dunning, was satisfactory as a whole. No decisions are allowed under the new Maine law. The main bout was a six-round set-to between Bartley Connolly of Portland and Tom Dingle of St. John, and went the limit.

THE RING
LONDON, June 4.—In a boxy carnival at the National Sporting Club tonight, Sam Langford and Sam McVey, Americans, easily got the better of their British opponents. Langford knocked out Jeff Thorne in the first round and McVey put away Ben Mayor in the third round. Jim Driscoll defeated Joe Bowker, the bantam weight fighter, in the seventeenth round.

NEW YORK, June 4.—In a most unsatisfactory ten-round bout, Harry Hart of Chicago defeated Tommy Murphy, the "pride of Harlem" in the eighth round on a foul before the National Sporting Club at Lyric Hall last night. Murphy was disqualified for using his head while in a clinch. Whether the foul was intentional or not, the spectators could not decide, but referee White declared it was and made the announcement from the ring. Up to this time Murphy had a commanding lead and looked as if he had the encounter well in hand. The fight was a vicious affair in which many hard punches were exchanged.

AQUATIC
Negotiations are pending between representatives of the Bays, four-oared club of this city and the Lynch crew of Halifax for a prize to be a sum of money, the amount to be agreed upon. The project has not taken definite shape, but the promoters hope to bring it to a successful issue. The race will be held on the Bay of Fundy, St. John or Halifax. Such a contest would arouse interest among those who are interested in aquatics and revive much of the rivalry between St. John and Halifax oarsmen.
