Silk Underskirts

That Has Ever Taken Place.

We have about 25 of these excellent silk underskirts to be sold at \$2.50 and \$3.00.

The ones priced \$2.50 are the usual \$3.00 quality. They come in black, navy, brown and green. They are finished with a wide flounce with ruffles and an undergarment of silk. The silk is a top quality of French Chiffon, has as much weight as a \$10.00 undershirt and will give positive satisfaction in wearing.

The ones priced \$3.00 are a heavier silk and made with a little more flouncing and something than the first lot.

The dress ones have an embroidered flounce and we have often had orders at \$3.00 for a bit better than these.

A Manufacturer's Set of Samples of

Moire Underskirts,

These are the most recently made of serviceable material. They are made in a large variety of colors. The prices are \$2.50 to \$3.00, each of them one-third less than the regular price.
