Further details have been received here regarding Lieut. Grant's exploit against a portion of Scheeper's com-mando on the 23rd ult. Lieut, Grant, in charge of the escort of Colonel Atherton's baggage, was riding with the vanguard at 9 o'clock in the evening, n, at the far side of a nek, he came suddenly upon a picket of thirty Boers on the road. At the same time he saw Scheeper's laager to the right of the road. Giving orders to the serof the road. Giving orders to the sergeant-major to form up the wagons and hold the nek with one troop, he dashed through the picket, thinking that the second troop, for which he had sent back orders, was following. The order, however, had miscarried, and when Lieut Grant stopped on the road on the far side of the picket and the laager he found himself alone. The Boers, who were badly scared, broke and fied in confusion. As they passed Lieut, Grant shouted "Hands up." Three of them surrendered, and of of them surrendered, and of thers who refused, Lieut. AT TORONTO.

TORONTO, Oct. 10.—The second section of the royal party arrived at two o'clock, the vice-regal train having arrived shortly before. Their royal highnesses were received by the Governor General, Mayor and the reception committee. Notwithstanding the cloudy weather a large concourse of people assembled at the station and along the route of procession to greet the Duke and Duchess. The militia and police were out in force and kept the streets clear of all traffic. The children of the public schools were massed their royal highnesses with patriotic songs. At 2.10 the royal procession started for the City Hall by a dreutious route through the principal streets, receiving splendid welcome all along the line. At 2.15 their royal highnesses formally declared open Alexandra gate, Bloocr street.

The afternoon programme was successfully carried out, and in the evening their royal highnesses attend a state dinner, and later a concert in Massey half.

Election of Officers-Home Department Report-To Wipe Out the Debt-

FREDERICTON, Oct. 9.- The eighteen FREDERICTON, Oct. 9.— The eighteenth annual convention of the Provincial Sunday School Association, which opened here yesterday, has about 200 delegates in attendance. The weather is all that could be desired and the meetings are largely attended, and the sessions are most interesting, the addresses helpful and the spirit of the convention hopeful.

Rev. A. M. Hubley of Sussex was unanimously elected president of the convention, and his selection gives the large audiences present at the meetings comment satisfaction. The following standing committees were appointed:

ventions.

St. John county reported plans by the executive committee to hold more conventions. Home class, normal and primary work is still a strong feature of our county work. The new movement of temperance army work is being pushed. The report showed a large number of scholars joining the thurch and also mentioning the good done by the

schools.

The report of the S. S. Advocate was next read by E. R. Machum. On hand, \$21.31, with all bills paid. Due the Advocate, \$15 for an advertisement and \$27 for subscriptions. Cash received for subscriptions for this year amounts to but \$30.15, shawing that percentage due and unpaid is large; Moved and seconded that the matter of having a separate primary course of leasens be referred to a committee of three.—Carried.

Moved and seconded that our pledge to the International Convention be the same as last year, viz., \$100, Adjourned.

Adjourned.

FREDERICTON, Oct. 10.—The Wednesday evening session of the S. S. Convention opened with a service of song and prayer, followed by Bible reading.

Rev. T. F. Potheringham then opened the normal work.

Interesting facts of last year's normal work: Seventy-five applied for examination, 15 passed, 6 took honors. Total students, 284. By denominations: Presbyterian — 48 passed, and post graduate 28, making 36. Methodist—26 passed, and post graduate 28, making 36. Methodist—26 passed, and post graduate 28, making 36. Methodist—26 passed, and post graduate 28, making 36. Baptist—5 passed and post graduate 12, making 38. Free Baptist—12. Reformed Baptist—3.

New plans are, for the first year, Hurlbut's Revised Narmal Lessons; for the second year, Pease's Normal Course, Part. 1; third year, Pease's Normal Course, Part. 1; third year, Pease's Normal Course, Part. 1; third year, Pease's Normal Course, Part. 1; tourth year, a denominational course of reading not yet mapped out.

The normal diplomas were then given out to the graduating class, and Mr. Fotheringham welcomed the class to the alumn of the caseculation in a few well chosen words. Rev. J. H. MacDonald then arose to deliver the valedictory address: To whomshall I say farewell? Surely not to our Alma Mater, the Sunday school. Not to our honored president, Dr. Fotheringham, although he has announced that he mist drep this beloved work. Not to our textbook, the Bible. I only see one class to whom we shall say farewell, and that is to the S. S. teachers. The prime qualification for a teacher is a personal knowledge of Christ, but that is not all that is necessary. We want the best that can be had. I wish we had a fraining school for S. S. teachers as well as for day school teachers. Go home and see that classes are organized? I amonly then here to say farewell to the one who will not engage in this work, to the rest. I do not say farewell.

Dr. Clark then addressed the convention upon "The Self-Training of the Teacher."
