Advertising Cheats!!!
"It has become an art to begin an
article, in an elegant, interesting style,
"Then run it into some advertisement,
that we avoid all such."

"And simply call attention to the merits
of Hop Bitters in as plain, honest
terms as possible."

"To induce people
"To give them one trial, which so
proves their value that they will never
use anything else."

"THE HENRY so favorably noticed in all
the papers,
"Having a large sale, and is supplanting all
other medicines."

"There is no denying the virtues of the Hop
plant, and the proprietors of Hop Bitters
have shown great shrewdness and ability."

"In compounding a medicine whose virtues
are so palpable to every one's observation."

Did Bhe Die?
"She lingered and suffered long, pin-
ing away all the time for years."

"The doctors doing her no good."
"And at last was cured by this Hop
Bitters the papers say so much about."

"Indeed! Indeed!"
"Thankful we should be for that
medicine."

A Daughter's Misery.
"Seven years our daughter suffered on
a bed of misery."

"From a complication of kidney, liver,
rheumatic trouble and nervous disorder."

"Under the care of the best physician,
"Who gave her disease various names,
"But no relief."

"And now she is restored to us in good
health by as simple a remedy as Hop
Bitters, that we had almost for years
before using it."

"None genuine without a bunch of grass
Hops on the white label. Show all the vile,
poisonous stuff with 'Hop' or 'Hops' in
their name."

APPLETON'S
American Cyclopaedia.

I WISH to announce to the people of St.
John that I shall be here for some
time taking orders for the American Cyclo-
paedia. Anyone desirous of getting such a
work, would do well to examine this one
before purchasing elsewhere. There are
a few features about the American Cyclo-
paedia which tend to make it the most
practical work of its kind for the use of
students and private families. It has a
general Index—a complete key to the work,
giving you access to the exact information
required on any point—whether treated
under a special title or not—and also at
the same time giving reference to any
other articles scattered throughout the
different volumes that may be indirectly
connected or throw any light upon the
subject inquired into. It has an Annual
Volume added each year, which keeps the
encyclopedia up to date. It is a
