How This Woman Found Health. Would not give Lydia E. Pinkham's Vegetable Compound for All Rest of Medicine in the World.

Had A Terrible Attack OF DIARRHOEA BUT DR. FOWLER'S EXTRACT OF WILD STRAWBERRY CURED HER.

Mrs. Jacob Smith, Manor, Sask., writes: "I am pleased to express my gratitude for your remedy in my case. I had a terrible attack of Diarrhoea. Just about every three minutes, I would have a passage, and it would keep this up for a week at a time, causing the passage of bloody water. I was so pained and weak, I could not do anything."

Another Case. Nebo, Ill.—"I was bothered for ten years with female troubles and the doctors did not help me. I was so weak and nervous that I could not do my work and every day in bed I read so many letters about Lydia E. Pinkham's Vegetable Compound during female troubles that I got a bottle of it. It did me more good than anything else I ever took and now it has cured me. I feel better than I have for years and tell everybody what the Compound has done for me. I believe I would not be living to-day but for that."—Mrs. HEYDIE GREENSTREET, Nebo, Illinois.

tion of the Dominion to provide railway connection between Vancouver Island and the Mainland. Mr. Hazen belongs to a type of man to whom such a great national undertaking will appeal. Indeed we have reason to believe, from what he said, that he recognizes its practicability and admires the people of Vancouver Island for their faith in what the future has in store.

Mr. Hazen's career in politics has been marked by sound administrative abilities. He has greatly enhanced his reputation since called upon to accept the important position in the cabinet of Mr. R. L. Borden. He has earned widespread recognition as one of the strongest men in the cabinet.
