

ATTITUDE OF THE NORMAL CHRISTIAN TOWARDS THE WAR

Inspiring Sermon By Rev. L. R. Richards of Waterford in Trinity Church Yesterday.

An inspiring sermon descriptive of the attitude of the normal Christian towards the war, compared with that of the honest Christian, was delivered yesterday morning by Rev. L. R. Richards, of Waterford, in Trinity church. In his introduction he showed how the war opened people's eyes and made them think more on religious matters.

He stated that there were two classes of Christians, the nominal Christian who looked without himself on external things for his idea of religion, and the honest Christian who looked within himself for his guidance in religious questions. The nominal Christian asks, "If God is a God of love why does He allow the war and continue? while the honest Christian sees that the war is purging the people of gross desires and implanting noble ideas in their hearts that will endure.

He stated that while God did not seem to feel very much with His people in the war He was in reality greatly concerned like the father who, when the prodigal son, through the abuse of his inheritance, came to grief, took him back into his confidence again.

He stated that God gave to the man three gifts, reason, free will and a conscience, and through the abuse of these faculties man brought the war on himself so that he would be taught to cherish them more highly.

In closing Mr. Richards stated that there were now new ideas on every side, one of the strongest of which was democracy which teaches the brotherhood of man. Democracy could only be realized when God and religion were made paramount in the life of the nation, and those who are planning for the reconstructive period after the war should take this fact into their calculations.

Mr. Richards repeated his sermon at St. Paul's church in the evening before a large congregation.

MASS MEETING TONIGHT.

A mass meeting of all trades and labor unions is to be held in Oddfellows hall, Union street, this evening at eight o'clock. Many prominent speakers will be on hand and deliver addresses. It was stated to The Standard last evening that arrangements would likely be made with Ex-Senator S. A. Jones, of New Brunswick, New York, now a visitor in the city, to give an address this evening. Developments are expected, and no doubt things will be brisk.

A FORMER POLICEMAN.

A former city policeman now lies in the cells as the result of arrest on Saturday evening near the depot for resisting the police in the discharge of their duties. The man in question was not on the force at the time of the dismissal of the men, but was a city guardian previously.

Sun Burned Skin

You want a healthy summer tan. But sometimes you get it too quickly and then there is a few days of suffering.

The application of Dr. Chase's Ointment takes out the stinging and burning and leaves the skin delightfully soft and smooth.

Because it is equally effective in relieving stings of insects and ivy poisoning as well as chafing and skin irritations it is invaluable in the summer camp.

WOMAN WORKS 15 HOURS A DAY

Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.

Perru, Ind.—"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried different medicines without any benefit and several doctors told me nothing but an operation would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I get up in the morning at four o'clock, do my housework, then go to factory and work all day, come home and get supper and feel good. I don't know how many of my friends I have told what Lydia E. Pinkham's Vegetable Compound has done for me." Mrs. ANNA METERIANO, 26 West 10th St., Penn., Ind.

Women who suffer from any such ailments should not fail to try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

THE REUNION OF CHRISTENDOM

Interesting Sermon Delivered By Rev. Fr. H. E. Bennett in Mission Church Yesterday.

The reunion of Christendom was favored and predicted by Rev. Father H. E. Bennett in an interesting sermon delivered yesterday at the high celebration of the Holy Eucharist at the Mission Church of St. John Baptist, at which Rev. Father J. V. Young was the celebrant. Father Bennett told of the one Catholic church founded by the Lord, who desired that all Christians should be united. The existing Catholic church, he said, was divided into three parts, the Roman, the Eastern, and the Anglican. Neither branch of the church was perfect, but all three had much in common and were closely related. All could trace their origin back to the time of our Lord and the Apostles.

The preacher said that the Anglican church had benefited from teachings and forms of worship in both the Roman and Eastern churches. As for the Protestant denominations they could also teach something to the Church of England. He did not believe reunion could be helped by union services; in fact, he thought that such services retarded real union. He would welcome reunions, but he predicted that some day, perhaps not in our time, Christendom would be re-united, and be one as our Lord intended. Division was the cause of overlapping and of much needless work.

ST. STEPHEN CLERGY AT EXMOUTH CHURCH

Rev. H. S. B. Strothard Preached Two Interesting Sermons Yesterday.

The Rev. H. S. B. Strothard, M. A., B. D., of St. Stephen, occupied the pulpit at the Exmouth church yesterday at both services. At the morning service he spoke from the text, 2nd Timothy, 2:15, "Steady to the word which thou hast heard." He dwelt on the importance of rightly cutting the vein in the mine of truth. He emphasized the natural attraction of the human soul for truth, and he explained how some men with great exertion cast on the surface of life, in the shape of absurd perversions and literal interpretations of Scripture, great heaps of useless slag. In consequence it was said, and in view of the unsearchable, inexhaustible riches of Christ and that we may meet the real needs of men, we must dig deeply, industriously and prayerfully in God's truth that we may give our fellows not so much large quantities of truth but the better quality. Mr. Strothard took as his subject for the evening discourse, "The Ultimate Triumph of Godliness," based on Isaiah 2:30-31, "They shall cast their idols to the moles and bats." This text was used to show that though the hope of the evangelization of the world seemed to be unrealized as yet so much has been accomplished in Christianizing the world that the church must not to victory.

REV. T. P. FROST AT QUEEN SQUARE

Visiting Clergyman Preached Able Sermon Yesterday.

Rev. T. P. Frost, D.D., lecturer on Christian Ethics, Garrett Biblical Institute, Evanston, Ill., occupied the pulpit at the Queen Square Methodist Church last evening and delivered a strong sermon on the text, Phil. 3:10, "That I may know Him."

He started his discourse with a story depicting six men at an inn in Damascus. Five of them, while out in the surrounding country had met Jesus at different places and they were telling the sixth man of Him, each man's version of the story differing from that of his fellows, from this story Dr. Frost drew the lesson of how one may know Jesus.

He stated that to know Jesus one must study and search the New Testament as therein is contained a faithful word picture of Him. Other ways to know Him is obtain knowledge of Him from those who already know Him, and by striving to attain perfection, taking Him as an example.

HONOR ROLL

Pte. Albert E. Colpitts. John M. Colpitts, 225 Waterloo St., has received word that his brother, Pte. Albert E. Colpitts, had been killed in action on September 2. Pte. Colpitts enlisted with the 104th and was later transferred to the New Brunswick Battalion.

Pte. C. G. Whitaker. That her husband, Pte. Chester G. Whitaker, had been admitted to hospital suffering from shell gas, was the word received on Saturday by Mrs. Whitaker at her home 186 Millidge Avenue. Pte. Whitaker crossed with the 140th, but later was sent to the New Brunswick Battalion.

Sgt. Major Gilbert. Mr. and Mrs. Edward Gilbert, 174 Adelaide street, was notified on Saturday that their son, Sgt. Major James H. Gilbert, had been admitted to the Royal Victoria Hospital, Netley, England, for mental treatment. A cable has been sent for further particulars.

Chester Garfield Whitaker. Mrs. Eugene Whitaker, 186 Millidge Avenue, received a telegram on Saturday stating that her husband, Chester Garfield Whitaker, of the Machine Gun Corps, has been officially reported admitted to No. 13 General Hospital, Boulogne, on Sept. 15th, from shell gas. The family are awaiting further news of the soldier's condition. Pte. Whitaker went overseas two years ago with the 140th battalion and has been transferred to different units since.

LT.-COL. POWELL ORDERED TO REPORT

Base Commandant of Siberian Contingent Leaves Today For Ottawa To Take Up New Duties.

Lieut.-Col. A. H. H. Powell, now attached to Military Headquarters, received a telegram on Saturday notifying him to report at once in Ottawa, and assume his new duties as "base commandant" of the Siberian Contingent. Colonel Powell leaves today to meet the call, and his many friends both in civil and military life, though sorry to learn that his promotion warrants his removal to another centre, join in extending him their congratulations on that success which he attained by past work in military life and wish he may have the best of success in the future.

All who have come in contact with Col. Powell in the discharge of his duties, have found him a genial and pleasant officer, who when once known, was always known, and may we add, newspaper men, whose business was ever to molest him, when they considered nothing but news, always found him genial and ready to give them any assistance in the line of their work for their respective papers. They extend him, as do all others, success in the future and hope his successor, whoever he may be, will be as ready as Colonel Powell when approached and hand out the news as he did.

No official word has yet been received as to Col. Powell's successor, but it is learned from an authoritative source that Major Wetmore is in line for promotion to the vacancy which means a higher rank and incidentally higher rank for junior officers attached to Military Headquarters in this city. Major Wetmore is well and favorably known in civil and military circles, and promotion would be a tangible reward for his past efficient work.

SECOND GASLESS SUNDAY OBSERVED

Number of Automobiles on the Street Was Very Few Yesterday—Amount of Gasoline Saved Is Large.

Yesterday was the second Sunday on which the citizens of Canada were asked to abstain from the use of gasoline for the purpose of driving pleasure vehicles, and, as usual, the patriotic citizens of St. John responded nobly to the appeal.

Going along the streets yesterday one might imagine they were back to the days when only the few owned the gas wagons, except for the license numbers on the stray cars that were running around.

Very few cars were seen around the city and suburbs, and the majority of those that were out belonged to physicians, or men who had to be out on business, and the number of cars that were out purely for the pleasure of the occupants, was exceedingly small indeed.

A few motor boats might be heard around Indian town, but here again the big majority of the owners of the gas propelled boats observed the request of the Government, and kept their craft tied up at the mooring post for the day.

Taken all through, the citizens of "Loyalist" St. John have responded magnificently to the suggestion that Sunday be made "gasless" day and the amount saved on the two Sundays since its inception must be considerable. In very few cases indeed, on either Sunday, has the owner of either a motor car or motor boat taken them out solely for pleasure, and no doubt the result will be the same on future Sundays.

The housing of the automobiles has resulted in a larger number of horses being seen on the streets, many taking this method of having a drive out into the country for the day.

SIXTY GERMAN PRISONERS HERE

Party Brought From West Indies and Sent To Amherst Detention Camp.

Sixty German prisoners were brought into the city Saturday morning from the West Indies, and were at once dispatched under strong guard to Amherst, for detention in camp.

They were a small looking lot of men and there was a strong guard of military police to look after them. Native colored soldiers made the trip to St. John in charge of the party. The prisoners appeared resigned to their lot which fate destined for them, and went along in a peaceable manner. They were taken over to Amherst in a special car, which, again was well guarded. Although there was a downpour of rain when the prisoners came in curiosity existed, as it always does, and many were on hand to ask questions, foolish and otherwise. Patience prevailed, but little information given, varied off by the wit and ready answers of those in charge.

SUB-INSPECTOR MADE HAUL SATURDAY

Harry Coholan Taken Off the Montreal Train With Suit Case Loaded With Booze.

A prisoner, arrested for drunkenness on Mill Street, was fined \$8 in the Police Court on Saturday morning, and remained to jail until enquiries are made as to where he procured the liquor.

Sub-Inspector McAlinh made a seizure of booze on the Montreal train. Going to Fairville he boarded the train coming into the city, and placed Harry Coholan, residing on Somerset Street, under arrest, on a charge of having liquor in his possession, as two suit cases of mixed hard liquor were found to be owned by Coholan. The amount consisted of five gallons of liquor in this, and an additional 14 bottles of different varieties. Mixed devices are used to work the booze into the city—now it comes in tins, and resembles any canned goods. Apparently the importers of the liquor in this, or they might label it, which would create little notice, and avoid ultimate embarrassment, or a large outlay in fines.

Officers McAlinh, Garnett and Gibson are awake, and are taking advantage of opportunities.

MISSION FOR MEN HELD IN ST. PETERS

Mass Celebrated Yesterday Morning By Rev. Fr. White—Able Sermon By Rev. Fr. Scholley, C. SS. R.

A mission for men only opened yesterday morning in St. Peter's church, which will be continued until next Sunday evening. High mass at 10:30 o'clock was celebrated yesterday morning by Rev. Father White C. SS. R., and was followed by an able sermon, delivered by Rev. Father Scholley, C. SS. R., on "What does it profit a man if he gain the whole world and lose his soul." It was a sermon which touched all present, and was the source of much comfort and joy. Father Scholley will be heard this week at many services, and no doubt, those who have the opportunity of hearing him will be impressed by his messages, which are pointed and in a word precise.

The mission closes next Sunday when special devotion will be held. At the evening's service next Sunday three blessings will be imparted which will mark the conclusion of the exercises.

BRASS MEMORIAL TABLET UNVEILED

Impressive Service At Stone Church Yesterday—Was To Memory of Lieut. Manning, Who Made Supreme Sacrifice.

A most impressive service was conducted yesterday morning at St. John's (Stone) Church, when a brass memorial tablet was unveiled to the memory of Lieut. Frederick C. Manning, son of Dr. J. H. Manning, who died on April 15, 1917, from wounds received at the Battle of Vimy Ridge. Lieut. Manning was a member of the 5th Nova Scotia Highlanders. The tablet was unveiled by a brother of the deceased hero, Lieut. J. Harold Manning, who has done his bit and been returned home wounded. A third brother, Cadet Laurence Manning of the Royal Artillery, was present at the services.

In the absence of Rev. G. A. Kuhring, rector of the parish, the service was conducted by Rev. W. B. Armstrong. The dedicatory service was as follows:

We accept this memorial tablet on behalf of the congregation of the Church of St. John in the Parish of St. Mark, to be a part of the fabric of this sacred building, to commemorate the noble self-sacrifice, even unto death of our beloved young brother, Fred C. Manning, in a great and glorious cause.

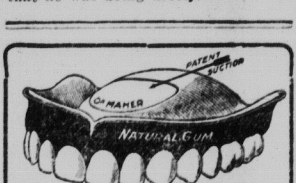

Let us pray. Our Heavenly Father who are the God of the living and of the dead, who has taught us that none may fall without Thy knowledge; we beseech Thee to bless this tablet which we affectionately dedicate to the memory of Thy servant, Frederick C. Manning. May it be to us a continual reminder of our fellowship with those who have departed this life in the faith and fear of Thy holy name, and we beseech Thee to give us grace so to follow their good examples, that we may be worthy partners of Thy Heavenly Kingdom. Grant this, O Father, for Jesus Christ's sake, our only Mediator and Advocate. Amen.

Following the dedicatory service the table was unveiled by Lieut. J. Harold Manning. It bears the following inscription:

In loving memory of Frederick Charles Manning, B. A., Lieutenant (Canadian 5th Nova Scotia Highlanders), born July 20, 1896. Died April 15, 1917, of wounds received at the Battle of Vimy Ridge. "He lived honor more than he feared death. "Be thou faithful unto death and I will give thee a crown of life."

At the close of his sermon Rev. Mr. Armstrong made the following reference to Lieut. Frederick C. Manning: "I cannot close this morning without referring to the unveiling of the tablet in this church to the memory of Frederick C. Manning. There are some who look upon the loss of a son or brother, who has fallen in the war, as a great calamity, and are willing to be mourned over. But the truer spirit is rather one of an honorable pride and solid satisfaction that this surrender of life has been made in the cause of liberty and righteousness. These young lives thus freely offered up point out to us the great virtue of self-sacrifice. Their bright examples shine like the stars and show us the way upwards. "And as regards themselves we may feel comfort in the thought that they are taken from the evil to come," removed from this scene of trial and temptation, that they are in the Almighty's keeping and are safe home at last."

Bomb, Charles F. Lee. Henry M. Lee, St. George Street, West, has received a letter from his son, Bomb, Chas. F. Lee, telling him he was wounded. The young soldier was out with a party detailed to find war material. He was guiding the party on horseback and while at work was struck by a flying machine and injured so badly that he had to be taken to England. The letter stated that he was doing nicely.
