

UNFERMENTED

JUICE OF THE GRAPE.

WE HAVE now been in the business ten years, and believe we supply the best article of the kind offered to the public, and at reasonable prices. So far as we know, we are the oldest firm in the Dominion that manufactures real unfermented Grape Juice.

Our wine is pure, no anti-ferment or any drug being employed to preserve it. It has been analyzed by J. Sugden Evans, Chief Analyst of the Dominion, whose certificate we hold declaring it to be *free from alcohol*, or fermented product of any kind. The Methodist Book Rooms, of Toronto and Halifax, which furnish Sacramental Wine to the Methodist Churches of the Dominion, obtain their supply from us.

Churches will find our goods a much more suitable element for the Communion than much of the home-made article, which after all is a mere syrup or watered jelly, having little or no resemblance to the "fruit of the vine." At a recent conference Sacramental occasion the so-called unfermented wine used was musty, and altogether unsuitable for so sacred a service. And we are persuaded that many churches are no better served. Christian sentiment, which has discarded alcoholic wine, should also discard all unsavory, ill-preserved elements though unfermented, especially when a pure, suitable article is within reach. Churches which have once used our manufacture generally discard the home-made product and deal with us.

Having all the qualities of fresh, sound grapes, our Grape Juice is a nourishing tonic in sickness, and an excellent vehicle or disguise for unpalatable medicines. Physicians who have tried it in their practice are prescribing it largely.

Some Woman's Christian Temperance Unions deal with us and supply the churches in their localities; to such we give our best wholesale rates, so that by the sale of our goods they are able to realize a handsome profit for the Union.
