MOWING AND REAPING
MACHINE.
THE Subscriber has the pleasure to inform Agriculturalists and Farmers, that he has now on hand an assortment of the above celebrated MACHINES, which he offers for Sale at the Lowest possible prices, and on the most favorable Terms of payment. These Machines have all the latest improvements. They are of the best material and Workmanship, easy to manage and extremely light and durable. They are recommended to parties in want of Machines, with full confidence of their giving every satisfaction.
The attention of Farmers and intended purchasers is respectfully invited by the manufacturer to the late improvements made by which are now combined in these Machines great advantages over all others.
Lightness of the Machine and easier of Draft. The facility for raising and lowering the bar passing over obstructions or through lodged grain without stopping.
The way the wheel is placed under the tongue to carry the machine steadily through furrows avoiding the troublesome joint in the tongue and bringing the team so much nearer the work.
As there have been many improvements added since the first Prize medal warrant it is a COMBINED MACHINE, to be altogether Superior to anything now manufactured in Canada, and fully equal to the celebrated "Manny's" which has taken more premiums than all the other Machines in the United States!
And in the first Prize medal the application of Representatives of all countries in the world. This Machine also took the prize at the two last Provincial Exhibitions for Canada, held in Montreal.
One of the improved Machines can be seen on the premises of the Agent, near Arnprior, and one at Bell's Corner, Nepean. All letters (post paid) for information or purchase promptly attended to.
