Sideache,  
Back-  
ache,  
Head-  
ache,

And many other aches to which women are peculiarly subject are generally the result of a diseased condition of the womanly organism. When this diseased condition is cured, sideache, backache, headache, etc., are cured also.

Doctor Pierce's Favorite Prescription establishes regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. When these diseases are cured the aches they cause are also cured.

"I will drop you a few lines to-day to let you know that I am feeling well now," writes Miss Annie Stephens, of Belleville, Wood Co., West Va. "I feel like a new woman. I took several bottles of 'Favorite Prescription' and of the 'Golden Medical Discovery.' I have no headache now, no backache, and no pain in my side any more. No bearing-down pain any more. I think that there is no medicine like Dr. Pierce's medicine. I thank you very much for what you have done for me—your medicine has done me much good."

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 31 cent stamps for expense of customs and mailing only, for the book in paper covers, or 50 stamps for the volume bound in cloth. Address: Dr. R. V. Pierce, Buffalo, N. Y.

## NO ARGUMENT NEEDED

Every sufferer from Catarrh Knows that Salves Lotions Washes, Sprays and Dou- ches do not Cure

Powders, lotions, salves, sprays and inhalers cannot really cure Catarrh, because this disease is a blood disease, and local applications, if they accomplish anything at all, simply give transient relief.

The catarrhal poison is in the blood and the mucous membrane of the nose, throat and trachea tries to relieve the system by secreting large quantities of mucus, the discharge sometimes closing up the nostrils, dropping into the throat, causing deafness by closing the Eustachian tubes, and after a time causing catarrh of stomach or serious throat and lung troubles.

A remedy to really cure catarrh must be an internal remedy which will cleanse the blood from catarrhal poison and remove the fever and congestion from the mucous membrane.

The best and most modern remedies for this purpose are antiseptics scientifically known as Red Gum, Blood Root and Hydrastin, and while each of these have been successfully used separately, yet it has been difficult to get them all combined in one palatable, convenient and efficient form.

The manufacturers of the new catarrh cure, Stuart's Catarrh Tablets, have succeeded admirably in accomplishing this result. They are large, pleasant tasting lozengers, to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat and finally the stomach.

Unlike many catarrh remedies, Stuart's Catarrh Tablets contain no opiate, opiate or any injurious drug whatever and are equally beneficial for the little children and adults.

Mr. C. R. Rembrandt of Rochester, N. Y., says: "I know of few people who have suffered as much as I from Catarrh of the head, throat and stomach. I used sprays, inhalers, and powders for months at a time with only slight relief and had no hope of cure. I had not the means to make a change of climate, which seemed my only chance of cure."

"Last spring I read an account of some remarkable cures made by Stuart's Catarrh Tablets and promptly bought a fifty cent box from my druggist and obtained such positive benefit from that one package that I continued to use them daily until I now consider myself entirely free from the disgusting annoyance of catarrh; my head is clear, my digestion all I could ask and my hearing which had begun to fail as a result of the catarrh, has greatly improved until I feel I can hear as well as ever. They are a household necessity in my family."

Stuart's Catarrh Tablets are sold by druggists at 50 cents for complete treatment and for convenience, safety and prompt results they are undoubtedly the long looked for catarrh cure.

## THE STAGE

"All the world's a stage!" and all the men and women merely players."

Notwithstanding the chilly cold of the house, which was only about half-heated last night, a large and delighted audience heartily enjoyed every number of the magnificent musical program presented by the Pittsburgh Orchestra, under the direction of Victor Herbert.

The organization is certainly one of the most brilliant and capable that have ever visited the Maple City. Henri Merck, the cello soloist, is a genius and his wonderful execution and splendid tone production were keenly appreciated.

The program was as follows:— Overture, "Cockaigne," in London Town, New, Elgar.

Larghetto, from Symphony, "From the New World," Dvorak.

Cello solo (a) 2nd. Concerto, Herbert; (b) Scherzo, Van Goens, H. Merck.

From "The Damnation of Faust," Berlioz—

(a) Minuet, Will o' the Wispis.

(b) Dance of the Sylphs.

(c) Rakoczy March.

(d) Yesterthoughts.

(e) Badinage.

Festiva! Dance and Waltz, from "Capella," Delibes.

"Kit" in Toronto Mail-Empire says: "The Indian Poetess is a very clever woman—her voice is exquisitely tender, her fiscal power wonderful and her gestures graceful and telling. Her passionate dark face expressed every shade of feeling; she was a revelation to me. Her Indian costume, which must have cost an immensity, was accurate in every detail, and most becoming to the wearer."

She shows how passionately devoted she is to her people—for all of which I love her."

Miss Johnson will appear at the Grand here on February 19th, under the auspices of the A. O. U. W.

Speaking of Mr. Walter McRae, the Fort William Journal says:—

He was frequently encoored and, something unusual for a Fort William audience, was constantly applauded. It is no misnomer to say McRae is a true artist. There is a touch of the histrionic genius about his work. He has individuality for one thing and a very pronounced vein of satire, of refined humor and of pathos and tragic emotion. Fort William and Port Arthur will always welcome him.

At Grand Opera House, Chatham, Thursday evening, Feb. 19th, under the auspices of the A. O. U. W.

The bill for the Grand next week is the Glick Stock Company, playing up-to-date repertoire and comedies, with new specialties; a change of specialties and play each night. This is Mr. Glick's first engagement in Canada, after having played many of the larger cities of the United States. He carries all very clever actors, and his press notices are always creditable.

The play for Monday night is North Carolina Folks, a beautiful four act drama. Monday night is ladies' night, as each person buying a 30c. ticket is entitled to one lady's ticket free. Prices, 10, 20 and 30c. Reserve seat sale opens Saturday morning.
