"Sal va dor"

Does not need to be introduced. It is well known.

From the time it was ORIGINALLY put on the market it easily led, so far as a Malt beverage was concerned, in the estimation of the connoisseurs. This lead it still holds by reason of the fact that the utmost care is exercise in the selection of the several ingredients that enter into its makeup, namely, the CHOICEST BARLEY, the CHOICEST HOPS, and FILTERED WATER—the utmost cleanliness being observed—all departments being under the superintendence of the ONLY Brewmaster in Canada who came from the original "Salvador" Brewery, Munich, Germany, Mr. Lothar Reinhardt, and so we say

for you, no matter where you are. Our business is not local by any means. In order to get good results you must burn good fuel. We know our coal has more heat units to the ton than any other coal on the market, so you might as well stipulate for your coal through your dealer or order direct from us first as last.
