I would like to draw to your attention the fact that Flight-Lieutenant Barton is the first and only Canadian, in fact, the only person so far who has returned from actual active experience in the present campaign, and furthermore I desire to draw to your attention the fact that he was recommended by his Commanding Officer to occupy the position of ~~1st~~ Instructor, but this was interrupted due to the out-break of hostilities.

With these qualifications, and together with the course which he has had in Army Co-operation, in my opinion he would be of inestimable value to your Department to-day.

I would consider it a personal favour if you would give this matter your most sympathetic consideration.

Thanking you,

I am,

Yours truly,

JAMc/OC.
