Major Clyde R. Scott,
Department of National Defence,
Ottawa, Ont.

My dear Clyde:

I have yours of yesterday.

I have been expecting to be in Ottawa but
the reason for going is off for the present, and it is hardly
likely I will get there for some time now.

Would be glad to receive correspondence
and certainly want to do everything I can you ask for.

Yours very truly,

AM/R.

Arthur Meighan.
