Sir,

I beg to acknowledge the receipt of your letter of the 5th instant, regarding the desirability of securing a good milch cow for the Blood Hospital; and in reply I beg to say that you should endeavour to exchange the cow now at the Institution for a more suitable animal. If you have to make a payment in addition to handing over the cow now found to be unsatisfactory you may submit a vucher for the difference in value.

Your obedient servant.

Secretary.
