Ottawa, 2nd January, 1912.

Sir:-

In further reference to your letter of the 19th ultimo, I beg to state that the sample of flour forwarded by you has been examined by the Department's expert, and he reports that it is not fully equal to the Standard, and he estimates the difference in value at five cents per sack. The account of the Ellison Milling & Elevator Company, Limited, will therefore be reduced accordingly.

Your obedient servant,

Asst. Deputy and Secretary.
