Ottawa, Nov. 3, 1914.

Sir,-

Referring to your letter of the 28th ultimo, I beg to state that in view of your report, the Department will carry out the arrangement outlined in its letter of the 23rd ultimo to hire gasoline boats for the work of the Kenora Agency on Lake of the Woods, and to dispose of the Steamer "Redwing". In view of the fact, that you have reported that it is doubtful if it is worth while putting a new engine and boiler in this boat owing to its poor condition generally, the Department will be much surprised, (although pleased) if your expectations, that when put up for sale, it will bring somewhat near the original amount paid for it, are realized.

You are therefore, authorized to advertise the sale of the Steamer in the following newspapers, viz:-

The Winnipeg Telegram,
Winnipeg, Man.

The Miner and News,
Kenora, Ont.

The Enterprise,
Keeewaton, Ont.

The Times,
Fort Frances, Ont.

The advertisement should be clear, but limited as to space. Six insertions should be made in the daily and

Indian Affairs, Letterbook,
2 November 1914 - 14 November 1914, (R.G. 10, Volume 5543)
