

Sir,-

I have your letter of the 2nd instant regarding that the Department have your wife request that the Church reserve to live with you on the Sol ground reserve.

This, however, is not a case in which the Department can interfere. In a personal matter of this kind it rests with the parties concerned to arrive at some settlement between themselves.

Your obedient servant,

Asst. Deputy and Secretary.

Mr. Joseph Paul,
Sol Ground Indian Reserve,
Newcastle, N.B.
