

Season of 1894.

PARK OPEN FROM THE

FIRST DAY OF JUNE

THE PROGRAMME for this Season is unusually varied. Theology, Science, Literature, Art, Music, Poetry and Song are blended in happy profusion. Sermons, Lectures, Vocal and Instrumental Concerts, Recitals, Stereopticon Entertainments, Phonograph and Ventriloquist Evenings, Physical Culture Exercises, Illuminations and Recreations constitute the "Menu" provided for the thousands who may visit the Park.

The Foreign and Home Talent is of the highest order. We call special attention to the speakers coming from abroad:

Rev. Dr. McIntyre, of Denver, the Peerless Preacher and Lecturer, will spend a week at the Park. Wonderful as was the enthusiasm last season over his series of lectures "The Six Creative Days," we anticipate much more this season as he lectures on "The Model Home."

H. H. Emmett, the Indian Orator of the Continent, has been secured. Fire and eloquence are enthroned in him and speak through him. We anticipate for Mr. Emmett a regular Talmage greeting.

Rev. W. F. Crafts, who so delighted and thrilled the vast audiences a year ago, will preach and lecture.

Revs. Dr. Hildreth, of Ohio, Dr. Eastman, of Michigan, Dr. Eby, of Japan, J. W. Johnston, of Brooklyn, N.Y., will appear for the first time on our platform. They stand among the first rank of Preachers and Lecturers.

Rev. Dr. Sims, of Indianapolis, our valued and ever welcome friend will be with us with his inimitable Sermons.

Rev. J. H. Hector, the Black Knight, who aways his audience at will with his humor and pathos, will introduce himself.

Rev. Ward B. Pickard, of Buffalo, will give two of his unique and captivating Lectures. Last season he charmed his hearers.

John H. Clarke, the Park's Favorite, will thrill head and heart with one of his famous addresses.

The CANADIAN TALENT warrants the Highest Expectation of all who may be privileged to visit Grimsby Park.

Musie and Song

Madam Selika (known as the "Brown Patti") and her husband, **Mr. Veloso Williams**, will visit the Park from Saturday, August 11th to 15th, giving Concerts and leading in the services of song. Madam Selika has had a brilliantly successful career. She was educated in Boston, and has sung in Germany, France, Sweden, England, where persons of the highest rank and character have delighted to recognize her wonderful gift of song. Mr. Williams possesses a rich baritone voice.

Miss Nina Virginia Eastman, of the Chicago College of Music, will be with us from Saturday, August 4th to 8th, taking part in Concerts and the various services. For the past two years she has held a "Free Scholarship" at the College of Music in recognition of her superior excellence as a vocalist. Miss Eastman is a remarkable singer.

The Artist Trio of Indianapolis. Miss LAURA McMANIS, Whistler; Miss ALICE McMANIS, Pianist; Miss CORNELIA MAY, Elocutionist, will give two of their delightful entertainments. These are "phenomenal. Full of irresistible charm. A treat for a lifetime."

The Emerald Quartette. Four male voices of great harmony and compass, will furnish a day's programme. Their songs and addresses are soul-inspiring.
