

# *The Beaver* ✓

Like many other good things—as we good men—was born and brought up in N burgh.

It has lived over one third of a cent conveying news of home and tidings of fri to a whole generation of people. No whe the Province of Ontario—which is undoub ly the very best part of North America—w is the paradise of newspapers—can ther found a livelier, or more widely circulated vincial weekly, or one better filled with news.

They that live, or even have lived Lennox and Addington, ought to take BEAVER, provided they care to know al their friends and acquaintances of Auld L Syné.
