81	Ordinance No. 36	An ordinance respecting Justices of the Peace.	Section 41 authorizes Justices of the Peace to transmit fines, penalties and forfeitures to Territorial Secretary. It is assumed that this provision applies to fines, penalties and forfeitures imposed under authority of territorial ordinances and not to cases arising under authority of Parliament.	118
85	62 Vict., 1898, An Ordinance No. 39.	respecting Irrigation Districts.	Interpretation that taxes imposed by section 29 would be charged upon lands would give section an effect beyond authority of Provincial Legislature. Section 44 is wide enough to authorize regulations being made which would be inconsistent with North-west Irrigation Act, 1898.	120
86	Ordinance No. 39	An ordinance respecting the consolidated Ordinances of the Territories.	Proposed consolidation not submitted. It is assumed it is not intended to enact new laws, and existing ordinances will be considered as subject to amendments made on them in the ordinary course.	129
