### SOME PRESS NOTICES

*Church Times.* "Not only those who are specially interested in military architecture, but also everyone who desires, on visiting an ancient castle, to view it with intelligent appreciation, must needs add this work to his library."

*Guardian.* "This volume at once steps into the position of a classic : it will be long before it is superseded."

*English Historical Review.* "This monograph is compressed into about four hundred pages, and copiously illustrated, yet it contains a wealth of detail that could easily have been expanded into a much longer work. . . . Its author is not writing a guide to castles, but a history of military architecture ; yet the work might usefully be taken as a guide to many of the castles described in it."

*Country Life.* "The book could scarcely be bettered as a concise survey of a difficult and complex subject."

*Journal des Savants.* — "Le livre de M. Thompson sera . . . le bienvenu. Il le sera d'autant plus qu'il donne un aperçu très complet des transformations de l'architecture militaire outre-Manche depuis les temps les plus anciens. . . . Ce n'est pas seulement au point de vue anglais, c'est également à notre point de vue français que ce livre offre un réel intérêt."
