HOW STUDENTS ARE ENABLED TO SUPPORT THEMSELVES.

The following scheme is a part of the constitution of the College:—

“The course of training shall consist of instruction by the Faculty during seven months of each year, and practical missionary and pastoral work under the direction of the Faculty in the vacation.

“The Faculty shall be expected to arrange for the employment of the students in missionary or pastoral work during the five months of vacation in each year, and on at least one Lord’s Day a month, on an average, during the session of the College. In making such arrangements the Faculty shall work as far as possible through the existing missionary organizations of the denomination.

“Each student who thus performs the amount of labor here indicated throughout the vacation, shall receive each year as compensation such an amount as, with the amount received on his field of labor, will be sufficient to pay all necessary expenses incurred in pursuing his studies in the College for one year.

“Work performed as pastor or missionary for a church or for some Home Missionary Board of the Regular Baptists of Canada, during the six months immediately preceding the admission of a student to the College, may, at the discretion of the Faculty, be placed on the same basis of compensation with similar work performed in the College course. Such work, however, must be reported to the Faculty, and the report must be certified by the church served, or by the President or Secretary of the Board for which the work was done.
