PATRIOTISM

BEST BY TEST FERTILIZERS
THE STANDARD OF PERFECTION

The above is an actual photograph of a field of tobacco fertilized with Best by Test Fertilizers, which yielded over 2,000 pounds per acre, netting the grower \$280 per acre.

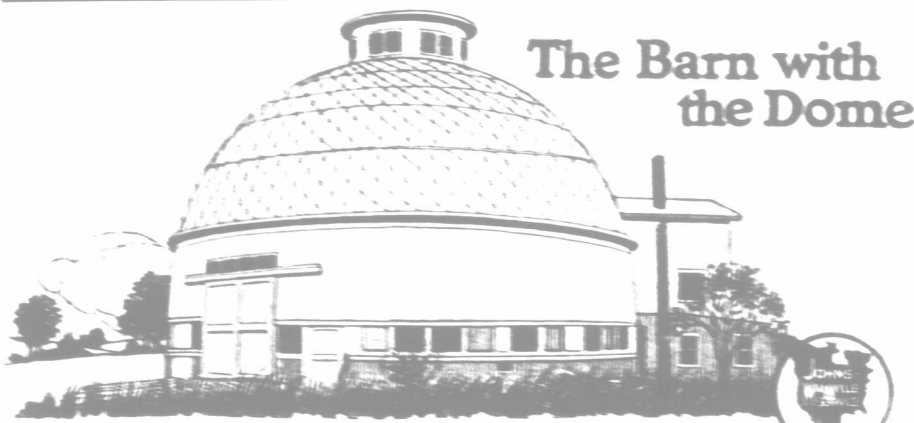

PRODUCTION

To grow similar crops this season of high prices you cannot afford to be without some Fertilizer. EVENTUALLY YOU WILL USE BEST BY TEST BRANDS. WHY NOT NOW?

We manufacture suitable brands for every crop, also Acid Phosphate. We sell all Fertilizer Chemicals, etc. Our goods and treatment will please you. Try our combined calcium supplements of Acid Phosphate and Mixed Fertilizers, etc.

Write us before buying. Agents wanted. Yours for bigger crops.

Canadian Fertilizer Co., Ltd., Chatham, Ont.

The Barn with the Dome

Round Barn of J. L. Dean, Waterville, Me.

The owner of this barn put on J-M Asbestos Roofing because it never needs painting and is backed up by

J-M Roofing Responsibility

You have something better than the best guarantee ever made when you place your J-M Roof permanently in our care by J-M Roof Registration.

J-M REGAL ROOFING is the best "rubber" roofing on the market. It must be so, for we include our J-M Responsibility for better roofing. Its life and durability, resistance to acids, heat, sunlight and insect damage, because made of Wood, Fibre, and other natural substances and heavily coated with Portland Cement and other natural asbestos. Any one can see why J-M Wise-Guy Leads the market in this and gets widespread without effort.

J-M Asbestos Ready Roofing is a permanent roofing material that will last for years. It is made of Wood, Fibre, and other natural substances and heavily coated with Portland Cement and other natural asbestos. Any one can see why J-M Wise-Guy Leads the market in this and gets widespread without effort.

J-M Asbestos Roofings are examined by Underwriters Laboratories under the direction of the National Board of Fire Underwriters.

IRON AGE

Power Sprayers

Why? Because they have a powerful double acting pump. That has been doing service work for many years. A 2 H.P. engine that develops 100 pounds constant pressure using 7 to 8 gallons of gasoline at maximum, and a perfect system of sediment straining. Perfect equipment. Easy to operate and clean. An indispensable for orchard, farm, garden, poultry house, stock buildings and home.

Just wear rubber shoes and write us for "Spray" catalogue and a copy catalogue. Both free.
