Saint Anne, Ottawa River. Notice to Contractors.

SEALED TENDERS addressed to the Secretary of Public Works, and endorsed "Tender for Canal and Lock at St. Anne," will be received at this office until the arrival of the Eastern and Western mails on FRIDAY the 10th DAY OF OCTOBER next, for the construction of a Lock and the formation of approaches to it on the land-ward side of the present Lock at St. Anne.

A map of the locality, together with plans and specification of the works to be done, can be seen at the Resident Engineer's office, at St. Anne, on and after SATURDAY THE 27TH DAY OF SEP-TEMBER next, at either of which places printed forms of Tender can be obtained.

Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms, except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and further an accepted Bank cheque for the sum of \$2,000 must accompany the Tender, which sum shall be forfeiteddif the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the espective parties whose tenders are not accepted. For the due fulfilment of the contract, satisfactory security will be required by the deposit of money to the amount of five per cent, on the bulk sum of the contract; of which the sum sent in with the Tender will be considered a part.

Ninety per cent only of the progress estimates will be paid until the completion of the work. To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works embraced in the

Contract. This department does not, however, bind itself to accept the lowest or any tender.
