AN ORCHARD HOME

on the shores of the beautiful

ARROW LAKE, British Columbia

Mr. P. A. O'Farrell, of New York, in a letter to T. P. O'Connor, the prominent editor and member of parliament in Great Britain, says in part: "Storms and tempests are utterly unknown, and as equally unknown are the extremes of heat and cold. Picture Killarney on a vast and far more beautiful scale, and free from the tempests and mists and rain, and you begin to realize the Arrow Lakes, with their beauty, grandeur and attractiveness."

"You are right in directing the attention of your readers to British Columbia. The picturesque beauty of its lakes and rivers and the sublime grandeur of its mountain scenery, find no parallel upon this globe of ours. And its climate and soil are all that are desirable for men and women who love open air life and bracing mountain air and an occasional hunt for caribou and elk. The apples grown on the shores of these lakes are the finest I have ever tasted, finer even than those I have sampled from Lord Aberdeen's wonderful orchards about fifty miles further west. There is something in the sun, in the soil, in the serene atmosphere, in the ozone of these pure woods and in the absence of strong winds, that permits the growth and blossom and bloom of the apple in this country as nowhere else on earth."

We will be glad to give you full information—how you can secure an Orchard Home adjoining the town of Nakusp on payments of \$10 per month.

We guarantee that the land is the best in the whole WEST KOOTENAY DISTRICT, British Columbia.

The location gives each purchaser all of the advantages of an up-to-date community, and the best climate in Canada.
