To 62 King's Road, a pamphlet entitled "The Great Salvation," as delineated in the Scriptures of Truth; helping the heart-hearted to return to the Apostolic faith.

THE Trades and Labor Council of Victoria have, it is stated, discussed the question of the best means of helping the union tailors and their employees against Mongolian competition and of endeavoring to secure concerted action on the part of the several unions connected with the Council, so as to be able to contend against the evil. It is to be hoped that it will be found possible to do something, as in times like the present there are many honest and hard working white men who are willing to work but cannot get the means of earning a livelihood for their families and those who are dependent upon them.

Of all the summer beverages for Table or general use, Cider is the most healthful, and SAVORY'S is the BEST, being made from home grown apples and perfectly pure. A splendid thing for picnics is a case of Savory's Champagne Cider. All the leading grocers keep it in stock. If your grocer should not have it, order direct from the maker.

THE British Columbia sugar refinery has, we are happy to announce, resumed operations, slight modifications in the tariff having preserved to us that local industry, which was in such imminent danger of being utterly destroyed in spite of all that had been done to establish it.
