he notes a new and distinct form of nervous disease prooverwork in caring

for the home. This is only too true. It is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have found the means to sustain their failin strength, to give color to the cheeks, and new life and vigor to the body, in Paine's new life and vigor to the body, in Paine's Celery Compound. This pure and scientific remedy is especially adapted to the needs of woman, and is daily making the most remarkable cures. Mrs. W. E. Cooper, 60 St. Hypolite St., Montreal, was for a long time troubled with nervous headaches, loss of appetite, low spirits, etc. After using the Compound, her headaches disappeared, appetite was good, and her spirits revived.
