Ayer's Sarsaparilla has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about RASPBERRY & STRAWBERRY of a scrotulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the fact; in his case. JAMI In cases of each one dozen Pint. Quart and Half Gallon GLASS JARS. who would testify to the facts in his case.
Yours truly, W. M. PHILLIPS."

Guaranteed equal if not superior to any in Write for Quatations. JOHN WINDSOR.

CHANDELIERS ! HALL AND LIBRARY LAMPS

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable tiching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a hurden. I companyed the use of the IN BRASS AND BRONZE, I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once, The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882.

Nor can it be urged in mitigation of the offence against the Law that

it be small or great. And if it is not question from the moral stand point in I. E. BILL, Jr.

> OF THE WOMEN'S CHRISTIAN TEMPER-ANCE UNION.

On the 14th of October last a number of the ladies of Newcastle met at the Invote is discreditable to our Council, and unless repudiated by the community at large, to whom I suppose in the last inflament, oppositions are responsible. ing temperance sentiment, opposing the use of all intoxicating liquors as a beverage and to be ready to assist in any effort for the suppression of the liquor traffic or initiate any movement tending in that direction that might be thought advisable. ing temperance sentiment, oppos To Temperance work could also be added work of an industrial and charitable sort. After some consultation, and getting the After some consultation, and getting the opinions of those present, it was resolved to form such a Society. On the following Tuesday, the ladies met again to organize the Union. A Constitution was adopted, patterned from one used by the Ottawa Society; a form of Pledge was adopted and signed by those who wished to become members, and the following officers were appointed—a President, four Vice-Presidents, Treasurer, Corresponding Secretary, and Recording Secretary.

The plan of work that the Society wished to carry out as far as they can accom-

tion of a Band of Hope, opening a Coffee House, distributing temperance literature, visiting the sick and afflicted, forming a DEAR ADVOCATE.—With your permission I would like to say a word on the above subject. Your readers have observed that at the late meeting of the Council a resolution was passed in favor of repealing the Scott Act and returning to the license system again.

Sewing class for any who would like to be benefit by it—or any other work that would suggest itself as likely to promote the aims of the Union.

As it is now conceded by those who have had a varied and long experience in the license system again. sewing class for any who would like to to the license system again.

Now the question arises—are we ready for this step? Are we sure it would be young is the most promising and fruitful,

they are satisfied with the attitude maintained by the majority of the Council toward the LAW. These officials received a respectful memorial asking them to take some measures to help the LAW of the land to its rights, especially to make a grant of money for the same end, which the Chipmunk, who begged that he would stop and crack a nut of gossip with him; "but if you will take my place and let me have yours, so that I can overlook the country, I'll stop and rest awhile."

"All right," said the Chipmunk, hopping down from the tree, with a nut in his mouth. "I've always wished to see a March hare. But you are not avery and one, are you?"

"All right," said the Chipmunk, lopping down from the tree, with a nut in his mouth. "I've always wished to see a March hare. But you are not avery mot have given some answer to the petition expressing their sympathy with its mad one, are you?"
