**Yesterday's Scores at
C.B.A. Tourney.**

Some high rolling was done at the Canadian Bowling Association's tournament yesterday at the H. B. & A. C. alleys. Two new marks were made.

In the open five-men team event the Royal Canadians, of Toronto, made the magnificent score of 2,718, taking the lead in that class. The Canadians were in fine form, all through, their totals in the three strings being 933, 966 and 819. In this same class the Royal Canadians No. 2 made 2,594, and the H. B. & A. C. team rolled a disappointing score, only 2,257.

In the open doubles Capps and Sutherland, of Toronto, made a high score, 1,177. Ferren and Jensen also got a good position in the same class, getting 1,144. Pett and Morse, Niagara Falls, rolled 1,120.

S. D. Alling, of Buffalo, went into third place in the open singles, getting 610.

CHAMPIONSHIP BOUT.

Outside Sports Coming For Ackerman-Conkle Event.

The Marathon Derby and the Conkle-Ackerman championship wrestling match are the chief topics of discussion in local sporting circles at present. The latter event will take place in the Grand Opera House on Monday night, and will be the biggest wrestling event of the season, excepting only the Goch-Mahmout bout for the world's championship in Chicago week after next. The pair are to meet again for the welterweight championship of America, and already applications for stage seats have been received from Buffalo, St. Catharines and Toronto sports.

Great interest is being shown in the bout at various wrestling centres, and the pair have received flattering offers to transfer the bout from Hamilton. A Cleveland sporting club, with which Walter C. Kelley is connected, has been hot on the trail of the pair, and the promoters of the Goch-Mahmout bout asked them to postpone their match and meet as a preliminary to the world's championship event.

The bout will be called on the stage at the Grand next Monday night at 9 o'clock. Two boxing preliminaries are being arranged. Efforts are being made to bring Nott, of Bradford, and Artie Fair, of this city, together in the curtain raiser. The pair have met twice before. Fair was counted out the first time, and he got a draw the second. Admirers of Nott have asked for another meeting.

The sale of seats will open at the Grand box office at 9 o'clock to-morrow morning. Fifty seats will be placed on the stage—ten for the press and forty for the public.

"JOE" ROGERS WON.
Cleveland, O., April 2.—Joe Rogers, of New York, won from Yussif Mahmout, the massive Turk wrestler who is to tackle Frank Goch in Chicago in two weeks, here last night. Rogers kept his shoulders from the mat for the entire hour, in which period the articles called for Mahmout to pin the American twice.

The Turk sent Rogers to the mat hard several times, getting rolling falls, but failed to display sufficient cleverness to overcome the New Yorker, though Rogers was slowed somewhat by his weight. Rogers went on the mat weighing 245 pounds, the Turk weighing 30 pounds less.

Some students of grappling believe that the big Turk held himself in a bit to mislead Goch's backers, and they argue that the match in Buffalo on Saturday night against the Italian champion will really give a better line on Mahmout's form, for Goch has just defeated

TREMBLAY ENTERED.
Chicago, April 2.—Interest in the tournament for the lightweight wrestling championship of the world, which is to be held here April 27, was intensified today by the entry of Eugene Tremblay, champion of Canada, who, by his victory over George Bothner, of New York, claims the world's honors. The entrance of Luthe, Gordon and others who have also defeated the New York star, is expected to bring about a settlement of the world's championship.

The tournament will be held under the auspices of the Illinois Athletic Club. TO-NIGHT'S WRESTLE.
Yankee Rogers, the Buffalo heavyweight, will be seen in action at the Grand Opera House to-night, when he will meet Fritz Mohl, the giant German, also of Buffalo. Many fans are anxious to see Rogers on the mat, he being reported to be a fast worker for a heavy man.

There will be one wrestling preliminary.

BRITISH SOCCER.

London, April 2.—(C. A. P.)—Yesterday's British soccer results were as follows:

First League—Woolwich 1, Sheffield United 0.
Southern League—West Ham 4, Exeter 1.

The Mistress—What's the matter, Hortense? The New Maid—I dunno, ma'am. Something seems wrong with your hair, ma'am. I done it up just as it was before, ma'am, an' it looks all right, ma'am, an' it feels all right, but there's two rats an' a puff left over—

Cleveland Plain Dealer.

The Toronto baseball players are training at Chatham, but have not been able to do much on account of the weather. Next year they will probably train at Labrador.

The Toronto Telegram's favorite son says: "No greater evidence of the mystery of British law was ever given than the decision which makes an editor out of a Hamilton sporting writer."

But this mystery is no greater than the reason for the proprietor's son being allowed to fill the sporting editor's chair and lead an avian chorus.

A Chicago minister states that he is going to devote the rest of his life to saving the souls of millionaires, and there is a suspicion that he is going to practice on T. Burns and T. Longboat and T. Flanagan—the "three T. S's."

In case "Old Sol" doesn't beam at the N. Y. Polo Grounds to-morrow, Our Old Sol (Mintz) will be on hand with the smile that will not come off.

London Advertiser: Joe Kelley gave his demon athletes a practice on the grounds at Chatham, Canada's favorite winter resort, yesterday, and it may now be stated that spring has come, officially and every other way. We were afraid that it would linger some longer, but it has now come with all its glory and from now on the noise of the ball player will be heard in the land.

Rewards for Bravery.

London, April 1.—The Board of Trade has received from the Canadian Government gold watches, silver cups and money for the members of the crew of the steamer St. Helena, in recognition of their rescue of the crew of the Canadian barque Osberg, of Maitland, N. S., Sept. 1, 1908.

The correct dope, he points out, at present is, Follow the wise money. Believing in this, Bert doubled his staff, with a view of keeping cases on the framers. Wonder if he got next at two tracks yesterday?

A paragraph is going the rounds about Miner Jack Munroe, who once met Jas. Jeffries several years ago, winning another fight when he knocked out W. J. Hanley, a prominent lawyer in Elk Lake. No purse was hung up, but the prize was the mayoralty of Elk Lake, which is a mistake, as the men actually contested for the trusteeship of James' Township. The contest was a spirited one, and the mining men rallied around Munroe in view of his being one of the pioneers of the camp, and holding large interests there. Hanley, who is a clever chap, was under a big handicap by being a newcomer of only six weeks. Munroe became famous, not because he fought Jeffries, but he met the boiler-maker in an exhibition and actually knocked the big fellow down.

Toronto Telegram: Hamilton's greatest sport, Sol Mintz, left yesterday for New York to help Tom Longboat win the Derby, and the boy editors of Moun-tainville's seed animals gathered at the station to see him off, sobbed with one voice. "If it weren't for the spring plowing we would go, too."

FOR KERR MEET.

The Tigers' Committee Has Arranged the Programme.

What promises to be one of the most interesting athletic meets ever held in Canada will take place at the Britannia Park on Saturday, May 15, when the Tiger Rugby Club will hold a monster outdoor meet, the proceeds of which will be used to send Bobby Kerr, the world's champion sprinter, to England in June for the purpose of defending his title as British 100 yards and 220 yard champion.

The famous sprinter, who has brought so much athletic renown to Hamilton, is eager to defend the titles which he won last year while in the old country, prior to the Olympic games, and the Tigers have taken it upon themselves to give him this opportunity. The purpose is a very laudable one, and should meet with hearty support.

At a meeting of the committee in charge of the affair, held last night, the following programme was decided upon:

100 yards dash, open.
220 yards dash, open.
440 yards dash, open.
880 yards run, open.
1 mile run, open.
5 mile run, open.
2 mile walk, handicap.
100 yards dash for boys 17 and under.
1 mile run for boys 17 and under.
Running high jump, handicap.
Running broad jump, handicap.
Pole vault, handicap.
Half mile bicycle race, handicap.
2 mile bicycle race, handicap.

In addition to these regular events, which will bring out the best of the athletic world in the province, special features will be put on including a 100

yards dash and a 220 yards dash in which Kerr himself will compete, going after the world's records for these events. All the members of the Canadian Olympic team living within reach of Hamilton will compete in the various events, including the bicycle races, and an unusually attractive programme should result.

The entry blanks will be in the hands of the various athletic clubs in the course of a few days.

**SUTTON DEFEATED
GEORGE SLOSSON.**

New York, April 2.—By far the most exciting game of the professional championship billiard tournament was played last night when Geo. Sutton, of Chicago, defeated Geo. F. Slosson, after an uphill game. The score was Sutton 500, average 29 1-17, high run 78. Slosson 460, average 27 1-17, high run 113.

The game between Morningstar, of New York, and Harry P. Kline, of Philadelphia, in the afternoon ran to the 31st inning. Morningstar winning 500 to 464. Morningstar's average was 16 4-31, and his high run 83. Kline averaged 14 30-41, and had a high run of 118.

Morningstar, who has a clean score of five games won to his credit, will meet Slosson to-morrow night in the last scheduled game of the tournament. Should he win this he will gain the championship. A defeat, however, will place him on a par with Sutton, who has won five games and lost one. In that event, the tie will be played off next Thursday night.

The Toronto Board of Education, by a vote of 6 to 3, passed a resolution opposing the engagement of Roman Catholic teachers in the public schools.
