MAUDIE TO WED; GETS OFF LIGHT

Judge Advises Her Not to Practise Pitcher Throwing at the Groom-to-be.

St. John, N. B., Aug. 5.—There is an old saying that "all the world loves a lover." Miss Maudie Moore, a young colored damsel, realized the truth of this sweeping statement this morning in the police court, when the fact that she was to be one of the principals in a happy event this month saved her from paying a fine of \$20. She will be so much to the good in providing her trousseau. The bride-to-be, one day last week struck a colored friend Mrs. Hays, in the face with a milk pitcher, breaking it (the pitcher, of course), it was said, into nearly twenty peices. Mrs. Hays considered this very unfriendly treatment, and promptly had Miss Maudie before the court. She was adjudged guilty, and a fine of \$20 struck, but in view of her engagement to a colored gentleman, the fine was not imposed. Judge Ritchie warning her, however, that in her matrimonial career, she must be less inclined to athletics.

Messrs. C. Gates, Son & Co. Middleton, N. B.

Gentlemen:—This is to say that in 1904 I was very sick with Heart trouble and Headache, due to change of life, my life seemed to me really not worth living, had a doctor in attendance, but kept falling away until I reached 125 lbs. I was advised to use your LIFE OF MAN BITTERS and SYRUP, which I did and can truly say they are wonderful. After I had taken the first two or three bottles I felt much worse than usual, but as the directions said this was sometimes the result I continued their use, and soon began to see marked improvement in strength, so that I was able to work and gained 30 lbs. in flesh. I thank you for placing these remedies within my reach, and heartily recommend their use to ladies at this time of life, and advise the continuance of them as I know it sometimes takes a few dozen bottles, but the cost is small compared with physicians charges. I am sending you this, that you may make it known and thus benefit someone who may be suffering as I was. With heart felt thanks, I am Yours very truly, MRS. JOHN FOLEY.

HAD TO HOLD HIS NOSE WHILE HE SEIZED EGGS

Could Not Stand Odor of Canned Product So Shut His Nostrils With Clothes Pin. Pittsburg, Pa., Aug. 4.—A federal food inspector armed with legal papers and a clothes pin clapped over his nose, has seized 125 cases of Nebraska eggs which were marked "canned fancy mixed and frozen," and yet "guaranteed pure and fresh." An analysis by chemists of the agriculture department in Washington is said to have disclosed about 2,156,000,000 bacteria in a single ounce of the canned product. John H. Jordan, United States district attorney, says that within two months 20,000 pounds of Nebraskan eggs have been brought to Pittsburg.
