Reasons Why

The Charlottetown Business College's claims of superiority are not based on hot air, bombast or broadside bragosity.

The equipment of this college is complete in every respect. There are enough typewriters, forms, etc., for every student, and therefore none are kept back and none especially favored. The teachers are the best that can be secured and the location, idealright in the heart of the business district—the courses plain, practical and full of "usable" knowledge.

Students who graduate from this institution are QUALIFIED to cope with any problem that is placed before them in actual practice. This institution is the only one in the Province to turn out successful

The courses cover bookkeeping, auditing, type writing, shorthand, brokerage, banking, business correspondence, navigation, engineering and Civil Service
