Ms Jas Ritchie, of the 17th conces ms Jas Ritchie, of the 17th concession, Howick, has returned from a trip to Manitoba, where he has been for a short time disposing of some of his imported stock. He took two horses with him for which he received the snug sum of \$2,700. Mr Ritchie has some fire horse left one of which "Scattand's ine horses left, one of which, "Scotland's Motto," was awarded first prize and diploma at Mildmay spring show, 1889, where he was shown against some of the inest horses in the county.

No little excitement has been caused at Teeswater by the finding of a small quantity of gold by one of the workmen while digging the ditch for the pipes for the new waterworks. The gold was found in a loose, gravelly deposit, mixed in with sand. The stone taken from the same place, compared with gold quartz from Colorado, bears a great re-semblance. It is needless to say that the workmen are keeping their open for more of the precious metal.

While digging under a "lean-to" adjoining the stable at the Exchange hotel, Winsham, on Tuesday, the workmen turned up a tombstone, which came from Mr Scott, of Kincardine, twenty-two years ago. The inscription on it is to the effect that a child of Mr Ignace Sherrer, aged two years died in 1867. Unon rer, aged two years, died in 1867. Upon enquiry amongst the old residents we learn that a family by that name lived near Zetland at that time, but how the stone got where it was found is a mys-

We regret to have to announce the death of John May, of Paisley, from consumption, this week. He was a brother-in-law to John Hargreaves and spent several weeks in Brussels. He had nearly completed his course as a student to the ministry of the Episcop-alian church in Wyckliff College, Toronfor a 150 acre farm. The latter intends visiting the Northwest, we are informed, California a short time ago with the and his family will, probably, become residents of this place. Inspector Malloch has notified Mr change, possibly, hastened the end. He was in his 26th year and was a most es that the Minister of Education has timable young man, beloved by all who knew him.

If the Sufferers from Consumption, Scrotula and General Debility will try Scott's Emulsion of Cod Liver Oil, with Hypophosphites, they will find immediate relief and a permanent benefit. Dr who is about 76 years of age, does not believe it is good for man to be alone, so last Monday he led Mrs McCullough, great advantage in cases of Phthisis, great advantage in cases of Phthisis, Scrofula and Wasting Diseases. THE NEW PRIZE STORY

THE NEW PRIZE STORY
is eagerly sought for, read with pleasure or disappointment, is then tossed aside and forgotten. But ladies who read of Dr. Pierce's Favorite Prescription, read it again, for they discover in it something to prize—a messenger of joy to those suffering from functional derangements or from any of the painful disorders or weaknesses peculiar to their sex. Periodical pains, internal inflammation and ulceration, leucorrhea and kindred aliments readily yield to its wonderful curative and healing powers. It is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years. \$1.00 by druggists, or six bottles for \$5.00.
