Father Morriscy's "No. 10", commonly called "Lung Tonic" is one of the safest and most effective remedies that

There are different ways to relieve the wearing ache and grinding pain of Rheumatism—but only one way to cure it. That way is to clear the blood of the poisonous Uric Acid which, settling in the joints and the fibres of the muscles, causes all the suffering. This Uric Acid can only be removed by and through the Kidneys.

They are the natural filters of the body, whose work it is to take out of the blood the worn-out tissue and other

waste matter that, if left in, so soon turns to poison. Father Morriscy's "No. 7" acts directly on the Kidneys, coning them up to vigorous action. Immediately they begin to clear the poisonous Uric Acid from the blood, and in time

remove it entirely, and with it, of course, the Rheumatism. "No. 7" Tablets are most effective, and perfectly safe.

## Father Morriscy's "No. 26" **Cures** Catarrh

Colds in the head, neglected, soon get the lining of the nasal passages into a state of chronic inflammation, almost certain to lead the Catarrh. While the earlier stages of Catarrh are not immediately dangerous, they are disagreeable. The more advanced stages become loathsome and usually end in fatal lung or stomach diseases. Unless something is done to check it, Catarrh almost always grows treadily works so that it is not exife to needed it. According to the

steadily worse, so that it is not safe to neglect it. According to the testimony of hundreds in the Maritime Provinces, the most effective remedy is Father Morriscy's "No. 26"—a combined internal and

external treatment. The tablets taken internally purify the blood and give the system added vigor to throw off the disease. The salve, applied directly to the inside of the nostrils, cleanses, soothes and heals the diseased tissues. The result, in almost every case, is a complete cure, even where other remedies have failed. Price 50c. for the combined treatment.

These remedies are not new, nor are they in any sense "cure alls." Each prescription was worked out scientifically by the late Father Morriscy to cure a certain kind of disease. Each prescription has been tested for years, and has proved beyond a shadow of doubt that it will cure that disease. Each remedy is therefore worthy of a place in the family medicine chest ready for the need which is so likely to arise suddenly. Get them at your dealer's, or from
