On Saturday evening the members attended confession, and on Sunday morning (the Feast of the Holy Name) approached Holy Communion in processional order, numbering about 200 Oh, what a grand sight to witness This large procession headed by its grand banner, followed by scores of nen, some of whom advanced years, also boys of tender ages, all paying homage, respect and veneration to their Creator in the holy and adorable Sacrament of the Altar. At 2.30 His Grace the Archbishop ascended the pulpit and delivered a very eloquent and instructive sermon on the 'Holy Name of Jesus." In the course of his sermon he made special mention of how the Holy Name is blasphemed by people throughout the world, and to some extent in our own little city; and he warned parents and guardians of children to teach them to love, respect and venerate hat sacred name. He also said that was the duty of the Holy Name Soeiety, as far as was in their power o admonish any one guilty of disre- are carefully select spect to this great name. After the Result . ermon was over, His Grace, vested in cope, mitre and crozier, assisted by Revs Frs. Sheehan and Pippy, pre ceded by thurifier, acolytes and torchearers, wended their way to the High Altar, where he imparted Benediction of the Blessed Sacrament. The singing of the Holy Name choir, led by Mr. John Slattery, was remarkably good, and great credit is due him for the great success it has attained. After Benediction was over, all joined in the singing of the Holy Name hymn, bringing to a close one of the grandest meetings ever held in the istory of the Holy Name Society.

The members will bear in mind that their regular monthly meeting takes place next Sunday, at 2.30 p.m. All are requested to attend.
