FULL of THRILLS
 Here is a Novel that is a best seller. It is perhaps the best Western Story yet written. Cloth 50c.; Postage 2c.
WHISPERING SMITH
 (By Frank H. Spearman).
 An exciting, adventurous railroad story, located in the Red Desert. A feud between Sinclair, foreman of the bridges, and McCloud, division superintendent, has its beginning in a railroad wreck. Sinclair loses his position and joins a band of outlaws who rob the railroad.
 A posse of men under "Whispering Smith" pursues them and there is plenty of gun play.
 A breathless tale of intrigue and villainy, realistic of the new life of the west, but softened and brightened by a double love story.
