BRITISH GAINS.

LONDON, Sept. 28. During the night our men advanced on various points of Martinpuich and Guedocourt, and posts established west and southwest of Eucort Lbayee, within 800 yards of that village. On our left our position was consolidated. On the ridge N.E. of Thiepval a battalion of enemy infantry with transport was caught on the march by cur artillery and successfully shelled Fighting the past few days has been singularly economical, our losses be ing small, not only relatively in im portance to our gans, but absolutely Our total casualties are not more than twice the number of enemy prisoners taken. One division, which had a difficult task allotted to it, took as many prisoners as it suffered casualties.

#### THE REICHSTAG SESSION.

BERLIN, via London, Sept. 28. The autumn session of the Reichstag which begins to-morrow, will be only in a minor degree a legislative occur rence. It will partake far more of the character of a political manifestation on the one hand, and an announce ment of the Chancellor's faith and an explanation of his conduct of Imperial affairs; and on the other hand a strong offensive from a group of stalwarts, which for long months have been fighting Bethmann's policy.

ANOTHER SUBMARINE TO SAIL. LONDON, Sept. 28.

The Amsterdam correspondent of the Exchange Telegraph Company says that travellers who have arrived from Bremen, report that a third Ger man commercial submarine will be ready to sail within a month. This submarine is to be known as the. Kaiser, and it is said to be slightly larger than the Deutschland.

BULGARIAN ATTACKS FAIL. LONDON, Sept. 28. The repulse of four successive Bulgarian attacks on the Kaimakealan mountain is described in a despatch from Serbian headquarters to Reuter's, dated Wednesday. The despatch says that the Bulgarians, after receiving reinforcements of more than a regiment, yesterday, attacked the Serbian line at Kaimakealan. In the darkness they were able to get into the first line of trenches, but at heavy sacrifice. An officer who was taken prisoner, said that crossing the space be tween the opposing lines was like walking over a field of corpses. Des-
