## CORSETS!

**Corsets for Ladies.**  
Prices from \$1.50 pair.

In Superior Quality Corsets.

Though we mention this Special Value at \$1.50 pair, we don't believe that you should economise on your corseting. Some people think they can, as the corset is not seen. But the corset is always apparent as being the foundation of dress. You cannot get the correct hang to your dress if you are not properly corseted.

We therefore urge you to buy

if you wish perfect corseting. These are very moderately priced at

Indications point to the fact that this company's phenomenal success is being fully discounted, and as \$125 per share cannot apparently be passed, we are of the opinion that this stock is a Short for a substantial recession.

## A SONG!

That is what the average "talking machine" is sold for when auctioned these days. Not so the NEW EDISON, as was proved at a recent auction sale in St. John's. If you wish to learn the reason, call at 178 Water Street and hear the difference between one of America's best and most advertised talking machines and a NEW EDISON. The Phonograph with a Soul. It pays to get the Best.
