Health and Comfort in the Home.

Many a chill can be avoided by
the wise use of heating with
ever-ready gas stoves. An inset
gas fire can easily be installed in
any ordinary coal grate, and will
provide the necessary warmth at
any time.

Gas Fires make no work.
There is no Coal to carry up-
stairs, and no ashes to be clear-
ed away. They are ideal for use
in daintily appointed rooms.
There is no smoke or dust. They
also ventilate the room. En-
quiries solicited.
