You may obtain cheap insurance on your Schooner or Outfit, but remember Cheap Insurance is not good. The Mutuals who claim to sell you insurance at "cost," cannot tell you what that "cost" will be. Why buy a pig in a poke? When WE sell you Insurance (representing Lloyd's and English Companies), we ask a rate of premium found adequate to meet the risk involved, based on years of experience in the Marine Insurance Line, and with us first cost is last cost.
