Never abandon your hopes. Hope is often better than enjoyment. Hope is often the cause as well as the effect of youth. It is certainly a very pleasing and healthful passion. A hopeless person is deserted by himself, and he who forsakes himself is soon forsaken by friends and fortune.

ALLEN'S LUNG BALSAM is the great modern remedy for Coughs, Colic, Consumption, Asthma, Croup and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Dr. A. L. Seville, of Cincinnati, Ohio, says: "I have witnessed its effect on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted." For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state.
