BARKWELL'S BRONCHIAL BALSAM.

Dear Sir, --- I wish to testify of the merits of that grand preparation known as Barkwell's Vegetable Healing Bronchial Balsam. I was told by a neighbor what a grand Balsam it was. My little girl was very ill with bronchitis, and a very few doses restored her and I believe saved her life. I feel it my duty to let others know that they also can be cured of this terrible of ection. MRS. MARGARET LOWTHER,

The Bishop of Huron delivered an eloquent address before a large audience in Knox Presbyterian Church, St. Thomas, last night in the interests of the St. Thomas Bible Society. This institution has been dormant for some time past, but it is probable that the Bishop's address will pave the way for its reorganization.

They Meet Again.

An interesting gathering took place Tuesday night at the house of Mr. Geo. Bailey, president of the Young People's Society of Christian Endeavor of the Adelaide Street Baptist Church, when a large number of the young people met to spend a pleasant evening. Mr. J. E. Adkins acted as chairman and Mr. Geo. Bailey made a short address. The following was the programme: Solo, Miss A. McLeod; reading, Miss Oliphant; solo, Mr. Bragg; address, A. J. Clarke; selection, Maynard Bros.; duet, Messrs. Maynard and Morehead; solo, Miss Carson. After partaking of the good things provided and a few games all went home delighted with the pleasant evening spent.

The Tucker Comedy Company.

The combination which opened at the Grand Opera House last night was greeted by a large audience, which showed its appreciation by liberal applause. The leading parts in "Ranch 10" were taken by Frank Tucker and Nellie Thompson. The orchestra which accompanies the combination proved itself to be possessed of considerable merit—in fact, the music was alone worth the price of admission. The low prices at which the comedy was played justify the assertion that many companies of far greater pretensions produce a much less satisfactory show. The log cabin destruction scene was very well put on. Tonight "Uncle Joshua Whitcombe" will be presented by the same company and a large attendance is looked for. The bill for Friday evening will be "Hearts of Oak," while on Saturday afternoon the never-to-be-for-saken "Uncle Tom's Cabin" will be presented.

THE "NORMA" CIGAR.

All competent judges of a good cigar age unanimous in pronouncing the "Norma" one of the finest 10-cent cigars made in Canada. This cigar has all the delicate flavor of an imported cigar, without any of its attendant Yaults. The cigar is the product of H. McKay & Co., of this city, who invariably use the best tobacco leaf, most carefully prepaded. The result of this strict attention to quality of raw material is that the "Norma" stands to the front of all 10-cent cigars, and although there is a prevailing idea that a cigar manufactured at home cannot be equal to an imported article, this prejudice is being rapidly overcome by the growing popularity of the "Norma."
