THE CHANGE OF LIFE

INTELLIGENT WOMEN PREPARE Dangers and Pain of This Critical Period Avoided by the Use of Lydia E. Pink-

men realize that the most critical man's existence is the change of life, and that the anxiety felt by time draws near is not without

reason? If her system is in a deranged condi- cards. tion, or she is predisposed to apoplexy or congestion of any organ, it is at this time likely to become active and, with a host of nervous irritations, make life

a burden. At this time, also, cancers and tumors are more liable to begin their destructive work. Such warning symptoms as a sense of suffocation, hot flashes, dizziness, headache, dread of impending evil, sounds in the ears, timidity, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude are promptly heeded by intelligent women who are approaching the period of life when woman's great

change may be expected. Lydia E. Pinkham's Vegetable Compound is the world's greatest remedy for women at this trying period, and may be relied upon to overcome all distressing symptoms and carry them safely through to a healthy and happy old age. Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism, and builds up the

weakened nervous system as no other medicine can. Madame Louis Belleau, of 17 Ramsay St., Quebec, Que., writes:

Dear Mrs. Pinkham:—
"Lydia E. Pinkham's Vegetable Compound assisted me to pass the change of life with but very little sickness and pain, and I am pleased to give it my endorsement, for I feel that it s the medicine which every woman should take. I am the mother of three children, and when I reached the age of fifty naturally my health was none too good, and I feel sure that if I had not taken your Vegetable Compound I should not have passed the climax safely. I took it off and on for two years and now find that I am in splendid health and strength and feel younger and better than I did ten years ago. Much praise to your medicine, and may all suffering women learn of its value."

For special advice regarding this im-

portant period women are invited to
