THE COURTS OF LAW.

In Gault Bros. v. Landsberg and Marymont, on application of Mr. S. Perry Mills, acting for Mrs. Landsberg and Marymont, Mr. Justice Crease has made an order that as plaintiffs reside out of the jurisdiction they must give security for \$200 costs. The security to be given by Mr. Gustav Leiser, receiver

of the estate, is fixed at \$6,500. Last year an action was brought by Alexander Urquhart, as trustee, against Andrew Laing to recover some \$1,700 on a mortgage given by Laing on thirty-two shares in the schooner W. P. The case was for damages alleged to have been sustained by plaintiff by reason of defendant having in the other, have been more or less frequent for the past year or so. But the unexpected degree of prominence which the action was dismissed was that the cause of action, if any, had not yet arisen, as the case of Macaulay v. Cowan was still opened the eyes of the politicians to the pending; the court order was also made extent to which the antagonism to free that the trial of Macaulay v. Cowan be held on Monday, December 23. Mr. R. Cassidy for Macaulay; Mr. E. V. Bodwell and Mr. George Powell for Cowan. There were several applications in the Landsberg cases. In Gault Bros. v. F. Landsberg, Mrs. Landsberg and Joseph Marymont, application by Mr. Duff on behalf of Landsberg that plaintiffs give security for costs was dismissed with costs. Mr. Duff also made application for the names and addresses of plaintiffs. This was adjourned sine die, proceedings having been stayed by a previous order made by Mr. Justice Crease, that plain-tiff give security for the costs of Mrs. Landsberg and Marymont.

In Gault Bros. v. F.Landsberg, Mr. Duff applied to set aside the judgment and ill proceedings taken under it, on the ground that the writ of summons was irregular. The application was directed to stand over till Tuesday. The motion to commit F. Landsberg to jail stands Mr. A. L. over till this is disposed of.

Belyea appeared for plaintiffs. The motion on behalf of the Kaslo & Slocan railway for an injunction against the Nakusp & Slocan railway was yes-terday enlarged by Mr. Justice Drake till Tuesday to enable defendants to file affidavits in reply, with liberty to all parties to cross-examine on the affidav-its. Mr. E. P. Davis, Q.C., for defendants; Mr. W. J. Taylor for plaintiffs.
