The Colonist.

THURSDAY, SEPTEMBER 14, 1899.

THE DREYFUS SENTENCE.

By the sentence against Dreyfus, France stands disgraced in the eyes of chosen course. the world. If he was guilty of the offence charged, which was the most ment is fighting an organized oligarchy. serious treason, he deserved the severest This is false and he knows it, but it sentence possible under the law. The suits his present purpose to say so. He verdict and the sentence are the result of has been most anxious to make friends a compromise. The court feared to de with what he calls "the organized the general staff should be impaired; it Helmcken to enter the government The explanation given as to how his im-

facts, and found guilty of an offence which another man confesses to have been on the boards at Rennes all these solely in their interests, he has been long weeks would be impossible in any but a decaying nation. It discloses a condition of the public mind that is moment to sell out the workingmen, if Katie Bruno is a better text for a Sunfraught with danger. After this anything may be expected in France. The form of a trial, when any man incurs understands the inner history of the as well be dispensed with and a military Now, however, that he understands that she lived a life apart, in a measure, dictatorship be forthwith set up.

It is not easy to foresee the conse quences of this verdict and sentence. member, he is prepared to throw himself Behind Dreyfus are important influences, body and soul into the ranks of the which know how to wage a long and agitators, and hastens to assure the with a good deal of anxiety. That the the government is already pursuing. last chapter has not been written in this melancholy story is only too evident, and no one can say what new characters will appear on the scene when the next one opens. France will be fortunate if the affair does not assume an international aspect.

THE SENATE

occurring, it will not be long before the a majority of the senators was actuated little time would be necessary to get through any scheme of reform, and the chances were that before it could be consummated the Liberals would have a majority of the seats in the Upper Chamber. so that when the Conservatives come in if they did so before the proposed change could take effect, they would find themponents would be in a majority. We thought that when the Conservatives rejected the opportunity to place the composition of the Senate upon a new basis. they were throwing away a political onportunity that they may regret. This idea seems to be gaining ground in the wish to be understood as withdrawing in any way what we have said against the suggested joint vote of the two houses.

which is, we think, highly objectionable, THE GOVERNMENT'S POLICY.

The News-Advertiser says that all Nanaimo was "that the government might go a little faster in its present direction." This is the comment of Mr.

ferous mines. Besides this, when workingmen to take the law into their own hands and defy both the Imperial and the Federal governments, Mr. Cotton's paper tells the public that such tions as this are only meant to hurry the government forward in its

to offset the Liberal majority in the about the stoppage of arms and ammuninegotiate further and as not over anxious was really more in the interests of the Conservatives than the Liberals. Some a power like Great Britain. We expect

A great deal of sympathy is expressed for the Boers. It is due largely to the pictures painted of these people by novelists, who are about as near the truth as Fenimore Cooper was in his pictures selves confronted with a Senate that of the North American Indian. When selves confronted with a Senate that has been taught that it is regarded as a partisan body, and in which their opponents would be in a majority. We allowed to remain in control of this continent, and so those people who have obtained their ideas of the Boers from modern novels are apt to shed tears of sympathy, because they are not permitted to occupy one of the finest portions of the world, where there is room for millions of people, a land which can contribute so much to the welfare and prosperity of other countries. The best thing that could possibly be done with the Boers is to convince them of the solution and the soluti continent, and so those people who have East among Conservatives. We do not of the world, where there is room for the Boers is to convince them of the exceedingly small part they are entitled to play in the world, unless they improve themselves morally, socially, industrially that was meant by the speeches at and educationally. At present the Boer shuns civilization just as the Indian shunned it, and those who know him best will tell you that it is a compliment Cotton's paper upon a gathering of to him in his normal state to class him

THE LESSON OF A DEATH.

A young girl was found drowned on the beach a few days ago, and her family had not known of her whereabout since some time during the previous day, and had, as far as is known, made no inquiries about her. Commenting upon his, a person, whose position entitles what he says on such a subject to much weight, said this lack of knowledge as as it might seem, for very many parents in Victoria do not know where their children are at night. The same evening three young misses, who were certain not more than 15, and were innocent looking, well dressed and attractive feared to impose upon him the full pen- he did so in the hope that he would were parading Government street, having tion should prove too strong to resist. men whom he wishes the public to cent fun, the fun consisting of attractsuggestion of treason with extenuating circumstances had not already done so.

The whole world has followed the proceedings at Rennes with intense interest, and has seen with amazement a man on trial for treason confronted with opinions of prejudiced men instead of with facts, and found guilty of an offer. committed. Such a spectacle as has frame the policy of the government greater importance than what Ezekiel

case, Mr. Sidley laid a criminal information against Scardorf for importing tobacco without reporting the same to the customs house. The defendant pled guilty and was fined \$50.—Boundary Creek Times.

MIDWAY.

A very valuable animal, a trotting horse belonging to Mr. Gibson, recently of Vic-toria, had to be killed at McKay Ingram's sult of having received a night or two pre viously a kick from another horse, thereby sustaining a broken leg. The animal was being taken through the district to Ross-land, and by the death of the animal the

owner sustained a great loss.

Messrs. F. Lamb and F. Roberts started from Midway on Friday last bound for Duncan, Vancouver Island. They went out by way of Keremeos, Princeton and Hope, and some good grade milch cows. Near Duncan Captain Grant purchased a ranch, and as soon as arrangements are completed and they can move down there, Messrs. Frank and Stanley Lamb will take charge of the property, and for future make their home there.

Word is received of a shocking accident having occurred at Kimberly camp, on Sat-uiday evening last, when David Condon, who was working in the shaft of the Vancouver claim, owned by Messra. N. Nel and J. Sutherland, of Greenwood, met with instant death as a result of his failure to grasp the top round of the ladder, as he ascended to the surface, after touching off five shots, which had been made ready for firing in the shaft. The deceased, who recently came to the e said to have been a native of Iowa, I S. A., and at the time of his death was working with another miner, Mr. W. Rob-inson. As before indicated he had just nuched off five shots and was ascending to the surface, carrying several small things in his hands, which no doubt accounted for his failure to grasp the ladder, just at a fortunate man fell backwards into the stable who was employed on such cases.

Mr. and Mrs. K. R. Streatfelld, who were married in Victoria a short time ago, reach ed home last week, and are receiving the warm congratulations and best wishes of their many frineds in this city and dis-

Labor Day, while observed as a general holiday in the city, did not afford mupleasure in the way of amusement, as the steady downpour of rain rendered shooting excursions, many of which had been arranged, out of the question.

'The directors of the Kamloops Agricul-

tural Association have decided owing to the f prolonged rains, to postpone the Kamloog d exhibition until October 11th, 12th and 13t The original dates were September 20th, 21st and 22nd, F. W. Padmore has decided to go out of

the hotel business here, and is now making arrangements to turn over the Kalemalka to Mr. Newsome, of Calgary. Dr. Reinhardt came in on Saturday from Vancouver, and though he is yet far from well, his friends will be glad to know that
