Stylish Footwear for Men

The first shipments of men's footwear for spring has just arrived, and although we were expecting some very smart models we were surprised to find that the makers had so far underestimated the quality of their goods. They are beauties, and you will say so when you see them—in fact we consider them to be away ahead of anything that we have yet handled. They are lace styles in all leathers, both black and tan, and button models for those who prefer them. All are made with the Goodyear welts that add so much to the comfort of the wearer, and as all styles are here and the variety of models is so large you are sure of finding a boot that will fit you exactly. The soles are light or moderately light and are made of carefully selected stock. We guarantee every pair to give you satisfaction. Try a pair or ask us to show you the new models you will buy on sight. Prices, according to quality, \$2.50, \$4, \$5 and \$6.00
