CAMPBELLTON, NEW BRUNSWICK FRIDAY, AUGUST 13th, 1909

With so much building being done at the present time, it is no wonder that the duty on hides is a burning question.

The rules with which the Spaniards are to be governed in the future are called the "Bullfight." The Spaniards, and like characters, are well known.

"Hold on, how hot it is!" exclaimed the man, and then he went to the window and looked at the thermometer with the hottest kind of fuel.

If Shaw's means, he should be kept in the apartment, he is left to be held by the electric chair. He never was any good and never will be.

The Premier of Western Australia is now suffering from trouble with his stomach. It may be that unduly bright prospects have been held out to him.

A New York lawyer, who gave \$100,000 to a New York church, is now a bankrupt. It will be extremely interesting to note what the church does for him.

A lady of prominence has come forward with the advice to girls to marry ordinary men. Most of them do, but they do not find it out till after work. The most fortunate never find out.

A growing list of drowning accidents proves the need of repeating familiar warnings. The temptation and inviting water is an ever-present death trap. This should never be forgotten by those who enjoy its pleasures.

There are some things it is hard to understand, and one of them is how those Barcelona people who were brave enough to fight against soldiers, with cannon were also towards enough to fight against nuns.

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as this delicately perfumed, refreshing hair pomade, Bearine. Avoid baldness; apply Bearine to your hair occasionally. All druggists, 50 cts. a jar.
