St. Margaret's, when Rev. R. J. Moore left the comparatively may post of curate of St. George's to build up a hew mission church in Spadina-avenue, south of Queen, there were not wanting critics who considered the task too heavy in view of the proximity to other churches. But Mr. Moore has incceeded in placing St. Margaret's upon a pound footing in a very short space of time, and a building up a congregation of devoted churchment. At last evening's vestry meeting a record was presented of a year's steady and encouraging work. Dr. Burnham submitted the financial statement, which showed contributions by weeky offerings (all seats are free) \$3028, as compared with \$2101 hast year; special collections at Christmas, harvest home and similar services \$273, as compared with \$421 hast year; from metratianments \$357, as compared with \$421 hast year; from having year.

A Solid Knock-Down Blow.

The whale blows water while at play,
Trees blow in every clime;
The sweetest flowers blow in May,
But wind blows all the time.

There's lots of blowing in this world. Sufferers from catarrh blow their noses, and quacks blow about their "cures." Dr. Sage's Catarrh Remedy is the only infallible one. Its proprietors back up this claim by offering \$500 for every case they fail to cure permanently. This is an unanswerable blow at humbuggery, coming from men of sterling reputation and ample capital. Nasal Catarrh cannot resist the potency of this Remedy. It stops discharges, leaving the sanses acute, the head clear and the breath normal. Of all druggists, 50c. A Solid Knock-Down Blow.
