**I AM ONE WHO WAS CURED OF CONSUMPTION**

LAWRENCEBURG, ANDERSON CO., KY. Feb. 10, 1873.

Messrs. Craddock & Co.:

GENTLEMEN:—Please send me twelve bottles of Cannabis Indica, one each of Pills and Ointment, for a friend of mine who is not expected to live; and as your medicines cured me of CONSUMPTION, some three years ago, I want him to try them. I gained fifteen pounds while taking the first three bottles, and I know it is just the thing for him.

Respectfully, J. V. HULL.

Dr. H. James' CANNABIS INDICA, or East India Hemp, raised in Calcutta, and prepared on its native soil from the green leaf, has become as famous in this country as in India for the cure of Consumption, Bronchitis, and Asthma.

We now inform the public that we have made the importation of this article into the United States our Specialty, and that in future the afflicted can obtain these remedies at all first-class druggists. As we have, at great expense and trouble, made permanent arrangements in India for obtaining "Pure Hemp," gathering it at the right season, and having it extracted upon its own soil from the green leaf by an old and experienced chemist (said chemist being a native), we know that we have the genuine article,

IN ALL ITS PURITY AND PERFECTION, and feel that we are entitled to credence when we say that Cannabis Indica will do all that is claimed for it, and that one bottle will satisfy the most skeptical of its positively and permanently curing Consumption, Bronchitis, and Asthma.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story, as the following extracts from letters verbatim will show:

GAYOSO, PEMISCOT, MO., Nov. 18, 1877. Messrs. Craddock & Co.:

GENTLEMEN:—I must have more of your invaluable medicine, and wish that you would place it here on sale, as the cost of delivery is too high to individuals. Previous to using the Cannabis Indica, I had used all the medicines usually prescribed in my son's case (CONSUMPTION). I had also consulted the most eminent physicians in the country, and all to no purpose; but just as soon as he commenced using the Hemp Remedies he began to improve in health until I regarded him as about well.

HENRY W. KIMBERLY, M.D.

LOVELACEVILLE, BALLARD CO., KY.

GENTS:—Please send me three bottles Cannabis Indica, box of Pills and pot of Ointment. Mother has been suffering with BRONCHITIS for twenty years, and tried most all kinds of medicine, and says the Cannabis Indica is the only thing that gives her relief. Respectfully yours,

JANE A. ASHBROOK.

DEEP RIVER, POWESHICK, IOWA.

GENTLEMEN:—I have just seen your advertisement in my paper; I know all about the Cannabis Indica. Fifteen years ago it cured my daughter of the ASTHMA; she had it very bad for several years, but was perfectly cured, and I used to keep the medicine on hand to accommodate my friends. I have taken a cold lately, and as I am fearful of it settling on my lungs, you will please send me a \$9 box of your medicine. Respectfully,

JACOB TROUT.

THERE IS NOT A SINGLE SYMPTOM of Consumption that this remedy will not dissipate, and it will break a fresh cold in twenty-four hours. Ask your druggist for DR. JAMES' CANNABIS INDICA, and if they fail you, send to us direct. One bottle will satisfy the most skeptical. \$2.50 per bottle, or three bottles for \$6.50. Pills and Ointment, \$1.25 each. Address,

HEAD OFFICE:

164 St. JAMES St., MONTREAL.

This Company is remarkable for the following features of interest to assurers:—

1. It is a Canadian Company incorporated by a special Act of the Dominion Legislature, and invests the whole of its funds in Canada, thereby giving to its Policy Holders the benefit of their own premiums.

2. It has made the required deposit with the Dominion Government, for the absolute security of its Policy Holders.

3. Its investments are of the most select character, and command a high rate of interest, making it profitable to its Policy Holders.

4. Being under an experienced management, by which its funds are husbanded, recklessness, waste and ruin, incident to companies in the hands of novices are avoided.

With these and other inviting features made known on application to the Head Office or to any of its agencies, there will be no cause for surprise that during the past twelve months of unparalleled depression in trade the Company has done

MORE THAN A MILLION

of new Life business besides Accident.

THE KINGSTON "DAILY NEWS," AND 'CHRONICLE & NEWS,' (Weekly) SHANNON & MEEK, Proprietors.

The "News" is Conservative in politics, and the medium by which the official business of the Synod of Ontario reaches the clergy of the Diocese—a district extending from Trenton on the west to the boundary line of the Province of Ontario on the east. Owing to this and other circumstances, the daily circulation of the "News" is larger than that of any other paper between Ottawa and Toronto. Consequently advertisements in its columns are brought under the notice of a class of readers not often reached by a mere secular journal.
