THE Favourite Medicine With All Classes—Perry Davis' Pain-Killer. A BOY who was kept after school for bad orthography said he was spell-bound.

WHAT made the tower of Pisa lean? "Because of a famine in the land," said a boy who got the tower confused with Joseph's brethren.

AND, Johnnie, what particular pleasure do you deny yourself during Lent? "Johnnie: "I've stopped putting pennies in the box for the heathen."

HOUSEKEEPERS that fail to acquaint themselves with the value of James Pyles Pearl line in the kitchen and laundry deprive selves of the most convenient and useful article of the age.

STRANGER (to boy): Boy, can you direct me to the nearest bank? Boy: I kin for 25 cents. Stranger: Twenty five cents; isn't that high pay? Boy: Yes, sir; but it's a bank director what gets high pay.

MAIDEN (forty and romantic): I suppose it must appear very lonely to you when all the company leave the seashore? Fisher man: Dreadful, marm. But you see it gives us a chance to rest our minds, and be ready for to answer questions next year.

YOUNG man (to editor): What do you think I ought to get for the poem, sir? Editor: You ought to get \$10. Young man (overjoyed): Oh, that is fully as much as I expected. Editor: Yes, \$10 or thirty days. That was more than he expected.

AFTER one or two gentle efforts on the part of the collector to awaken Deacon Jones, the minister said from the pulpit: "Never mind, Brother Layman. As Deacon Jones has not heard the sermon, perhaps it would not be right to expect him to pay anything for it."

SOMEbody predicts that "the telephone will develop in time so that everybody will be compelled to have it. The messenger boy must go." We have a great deal of confidence in science, but we don't believe yet that it will ever be able to make the messenger boy go.

WIFE (who has the foreign language "spasm"): John, do you know I'm getting on splendidly with my French? I am really beginning to think in the language! Husband (interested in his paper): Is that so? Let me hear you think a little while in French.

PHOTOGRAPHER (to sitter): I saw you at church last Sunday, Miss Smith, and also your friend, Miss Brown—if you could raise your chin a trifle, thanks—and what an atrocious-looking hat she had on." (After a pause) "There, Miss Smith, it is over, and I think we have caught a very pleasant expression."

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "acidity," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes alternating with chilly sensations, sharp biting, transient pains here and there, cool feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleanses, strengthening, and healing their disease. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

CURES ALL HUMORS, from a common Itch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-heat," Fealy or Itchy Skin. In short, all diseases caused by bad blood are conquered by its powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence.

CONSUMPTION, which is Scrofula of the Lungs, is cured and cured by this remedy. If taken in the earlier stages of the disease, it restores its vigorous power over this terribly fatal disease when first offering this new world-famous remedy to the public, Dr. Pierce thought of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive, and a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, purgative, or nutritive properties, is unequalled, not only as a remedy for Consumption, but for Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Soreness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Sore Coughs, and other affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Dollars for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 603 Main St., BUFFALO, N.Y.
