

*Priorum Temporum Flores.*

During the past month we had the pleasure of a visit from the following alumni:—

Rev. Father MacCaulay, P.P., Osgoode, Ont.

Rev. Father Raymond, P.P., The Brook, Ont.

Rev. Father O'Toole, Bayswater.

Rev. Father Filiatreault, Aylmer, Que.

Rev. A. Reynolds, College Ste. Therese, Que.

Rev. Dr. O'Boyle, O.M.I., paid us a flying visit the other day. He passed through Ottawa with a party of forty-five French-Canadian families, who are going to settle in New Westminster and work in the great Fraser Valley Lumber Mills there. He says that all of last year's party are delighted with their new home.

An interesting event will take place on Sunday, June 26th, when Rev. John Burke, C.S.P., will celebrate his first mass. Father Burke has just completed a very successful Theological course at the Catholic University, Washington, and will, after a short vacation in Ottawa, begin missionary work with his brethren of the Paulist Order.

We are pleased to hear of the success of the following Ottawa men:—

W. H. Derham, E.E., Toronto 'Varsity.

P. Kirwan, 3rd year Science, Toronto 'Varsity.

G. Kirwan, 3rd year Science, Toronto 'Varsity.

J. B. Macdonald, 3rd year Science, Toronto 'Varsity.

I. Desrosiers, 3rd year Science, McGill.

A. Desrosiers, 2nd year Science, McGill.

E. Beroard, M.D., Queen's.

Dr. Beroard succeeds Dr. Brunet at the Ottawa General Hospital.
