

**The Touch of the Divine.**

BY JOHN IMRIE, TORONTO.

Each grain of sand by sounding sea,  
Each trembling leaf on quivering tree,  
Each blade of grass on dewy lea,  
Speaks volumes of God's love to me!

The pearls that deep in ocean lie,  
The twinkling stars that gem the sky,  
The sunbeam, caught from noontide's eye,  
Direct my thoughts, oh, God, to Thee!

The flowers that deck the fragrant dell,  
And o'er me cast their beauty-spell,  
I love them—for they seem to tell  
The story of God's love to me!

No matter where I wander free,  
By river, lake, or boundless sea,  
The touch of God's dear hand I see,  
And know by these He loveth me!

Oh, God! Thou doest all things well,  
Earth, sea, and sky Thy wisdom tell,  
In heaven what must it be to dwell  
For ever, O my God, with Thee!

The above verses are from the Third Edition of JOHN IMRIE'S POEMS containing about 400 pages, neatly bound in cloth and gold, and will be sent, post free, on receipt of one dollar. IMRIE, GRAHAM & Co., 31 Church Street, Toronto, Canada.

# A Tonic

For Brain-Workers, the Weak and Debilitated.

## Horsford's Acid Phosphate

is without exception, the Best Remedy for relieving Mental and Nervous Exhaustion; and where the system has become debilitated by disease, it acts as a general tonic and vitalizer, affording sustenance to both brain and body.

Dr. E. Cornell Esten, Philadelphia, Pa., says: "I have met with the greatest and most satisfactory results in dyspepsia and general derangement of the cerebral and nervous systems, causing debility and exhaustion."

Descriptive pamphlet free.

Rumford Chemical Works, Providence, R. I.

## Royal Military College of Canada

### INFORMATION FOR CANDIDATES.

The Annual Examinations for Cadetships in the Royal Military College will take place at the headquarters of the several Military Districts, in which candidates reside, in June each year.

In addition to the facilities the college affords for an education in Military subjects, the course of instruction is such as to afford a thoroughly practical, scientific and sound training in all departments which are essential to a high and general modern education.

The Civil Engineering Course is complete and thorough in all branches. Architecture forms a separate subject.

The Course of Physics and Chemistry is such as to lead towards Electrical Engineering, Meteorological Service, and other departments of applied science.

The Obligatory Course of Surveying includes what is laid down as necessary for the profession of Dominion Land Surveyor. The Voluntary Course comprises the higher subjects required for the degree of Dominion Topographical Surveyor. Hydrographic Surveying is also taught.

Length of Course, four years.

Four Commissions in the Imperial Regular Army are awarded annually.

Board and instruction, \$200, for each term, consisting of ten months residence.

For further information apply to the Adjutant-General of Militia, Ottawa, before 15th May.

Department of Militia and Defence.  
1894.
